MESSAGE FROM THE MAYOR

A Message from Mayor Julie Fullmer

As we approach Election Day, I want to take a moment to encourage every resident to make your voice heard by voting. Your participation is one of the most powerful ways to shape the direction of our community. Every ballot cast is a reflection of your hopes for Vineyard's future, and together, those votes form the foundation of the city we are building.
Over the past years, it has been one of the greatest honors of my life to serve as your mayor.

I have witnessed firsthand the passion, creativity, and compassion that define Vineyard. From our early projects to our major developments, and from neighborhood gatherings to citywide celebrations, our progress has always come from the dedication of our residents; people who care deeply about one another and about this place we call home.

This November, we have several opportunities to celebrate the spirit of community that makes Vineyard so special.
On November 6, we'll hold a ribbon cutting and dedication for our new water tank, a project that represents both growth and sustainability for our city's future. There will be a ceremony in honor of our former Public Works director that recently passed away.

From November 10–15, we'll join together for Kindness Week, encouraging simple acts of compassion that strengthen our bonds as neighbors.
And on November 15, we'll welcome Bella's Market with a grand opening, a milestone that marks another exciting step in Vineyard's development.

MESSAGE FROM THE MAYOR

A Message from Mayor Julie Fullmer

As you vote, I hope you'll reflect on how far we've come and the bright future ahead. Vineyard is growing rapidly, but we are doing so with intention, with a focus on community, sustainability, and opportunity for every resident. Your engagement ensures that our city continues to thrive in a way that reflects your values.

Thank you for allowing me to serve you, to work alongside you, and to help build the next chapter of Vineyard's story. Let's keep shaping it together by showing up and voting.

With gratitude,
Mayor Julie Fullmer

It's an ELECTION YEAR!

With the official ballot drop box at City Hall (125 South Main Street, Vineyard, Utah) now open, we want to remind everyone that City Hall is now considered a voting location under Utah election law. As such, no electioneering is permitted within 150 feet of the drop box. This restriction helps ensure a neutral environment for voters and maintains the integrity of the election process.

For reference, Utah Code §20A-3a-501(1)(a) defines electioneering as: "Any oral, printed, or written attempt to persuade persons to refrain from voting or to vote for or vote against any candidate or issue."

This includes, but is not limited to, displaying campaign signs (Including cars, bikes, etc.), distributing literature, wearing campaign apparel (Shirts, hats, buttons, etc.), or engaging in conversations intended to influence a voter's choice within the restricted area. We appreciate your cooperation in helping us maintain a fair and accessible voting environment for all residents. To help clarify where the restriction applies, below is a photo showing the approximate 150-foot boundary around City Hall. The marked area represents where no campaign activity or materials may be displayed while the ballot drop box is in operation.

❄ WINTER IS COMING! ❄

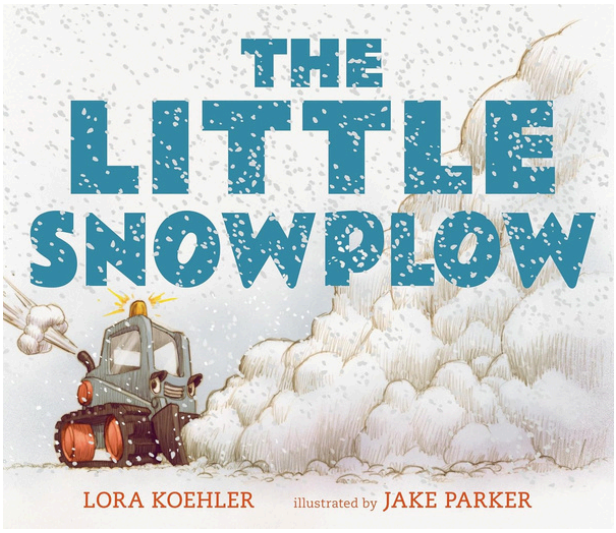

You know what that means... the four-letter word we all dread — SNOW!

As the flakes start to fall, please do your part to help our Public Works crew keep the roads clear and safe. Try to avoid parking on the street whenever possible.

If our plows can't safely get between parked cars, trailers, or other obstacles, we just can't risk it — even our most experienced drivers could get hurt or end up damaging equipment or your vehicles.

Your cooperation helps keep everyone safe — and makes our job a whole lot easier!

Thank you from your Vineyard Public Works Streets Team!
