THE VINE

February 2025

THE MAYOR'S MESSAGE
JULIE FULLMER

Dear Vineyard Residents,

This past year introduced a new milestone in Vineyard's growth and development, highlighting the groundbreaking of our first firehouse—a residential-style station designed to enhance public safety and foster community unity.

Last year, we also launched **Discover Your Home**, providing residents with multiple opportunities to engage with the city and each other. Through this initiative, we strengthened connections, fostered community involvement, and encouraged everyone to explore what makes Vineyard such an incredible place to live.

This endeavor helped provide ways to keep people informed, share information in real-time, strengthen transparency, and build political efficacy. That means strong families, empowered community leaders, and citizens who step up. It means leading through action and service.

Vineyard proves that incredible things happen when people take ownership of their community. This week, I had the opportunity to appoint a former youth mayor as our new youth council advisor for the Vineyard. Watching young leaders **return to serve** the next generation is **powerful—our history is being written by those who helped build it.**

I am excited to invite you to view the State of the City address on Thursday, February 13th, at 7:00 PM. I will share updates on our city's progress and unveil some exciting initiatives planned for 2025. From enhancing public spaces to new opportunities for engagement, there is much to look forward to as we continue building a city that supports and inspires all who call Vineyard home.

This year, I am grateful for the ability to serve such a vibrant community. I love living in a community where my neighbors continue to show up, speak out, and serve each other.

Let's continue to **show up, be informed, speak out, and serve our neighbors** for a strong, kind, and thriving community.

Warm regards,
Mayor Julie Fullmer

2025 DIGITAL PARKING PERMITS

2025 digital parking permits are now available on the City website!

All residents and visitors who park in the Providence Neighborhood, part of the Springs Neighborhood, and 300 West and Vineyard Loop Road, must have a valid 2025 permit starting February 15th.

Remember, 2024 physical passes are still valid through February 14th, so if you park on the street, keep your 2024 pass hanging up in your car to avoid any issues.

BUY A 2025 DIGITAL PASS HERE

ACTIVE TRANSPORTATION SURVEY

Please take a moment to complete this quick survey about active transportation in Vineyard. Your responses will help make navigating Vineyard City more enjoyable for those who choose to walk, bike, or roll!

TAKE SURVEY HERE

WHAT'S THE BEST WAY TO REPORT A CRIME IN THE CITY OF VINEYARD?

Facebook? City website? Instagram? Text your neighbor?

If it's an emergency, the fastest and best way to report an issue and get a quick response is to call or text 911. This will connect you to Central Utah 911, the dispatch center for Vineyard. Help will be sent immediately.

If it's not an emergency call 801-798-5600. Examples of a non-emergency call would be a parking problem, abandoned vehicle, a barking dog or a delayed incident (the suspect is gone).

You can call or text 911 if the incident is an emergency. Examples of an emergency would be any serious medical problem (serious bleeding, cardiac issues or trouble breathing), any life-threatening situation or a crime in progress. If you are in a situation where you can't speak freely, TEXT 911.

When calling or texting 911, be specific, be detailed and respond to dispatch. It's important to know and give the address where the emergency is happening. The address is the first question dispatch will ask you.

If you need help or are concerned about suspicious activity in your area, call dispatch. Posting your concerns on social media will only delay a response or even eliminate the possibility of law enforcement knowing there is an issue.

Follow us on Facebook and Instagram for additional updates about things going on in our community! Again, please do your part and help us by calling if you see or hear anything suspicious. Non-emergency dispatch: 801-798-5600. If it's an emergency, call 911.

ROAD MAINTENANCE: CRACK SEALING NOTICE

Our team will soon be starting an upcoming crack-sealing road maintenance project in the following neighborhoods:

- LeCheminant
- Gardens
- Maples
- Cottonwoods
- Sycamores
- Willows

Crack sealing is an important part of road maintenance that helps prevent water infiltration, which can lead to further damage and costly repairs. The process involves applying a special sealant to cracks in the pavement to extend the life of the road.

Be sure to watch @vineyardcity on Facebook and Instagram for the upcoming schedules and more information! Please note that weather conditions may impact the progress and timing of the work. We appreciate your patience and understanding as we work to maintain the roads in our community.

SNOW REMOVAL GUIDELINES

During this winter season, Vineyard City wants to ensure our streets stay safe and accessible for all. With this in mind, we kindly ask that you follow the guidelines below. Your cooperation will help our community remain safe and connected all winter long.

- **No Street Parking When Snow is Present** (November 1st – March 1st)
- **Be Courteous Around Snow Plows**
- **Do Not Push or Plow Snow into the Roadway**
- **Clear Your Own Sidewalks and Driveways**

SNOW REMOVAL MAPS

City Snow Plow Priority Map

Safe Routes to School Snow Plow Map

CHECK THIS OUT!

This event is not sponsored by Vineyard City but is a great opportunity for residents to share their opinion and thoughts in a structured parking discussion.
