MESSAGE FROM THE MAYOR

A Message from Mayor Julie Fullmer

Dear Residents,

Over the past years, it has been one of the greatest honors of my life to serve as your Mayor. When I look back on where Vineyard started and where we are today, I am filled with gratitude for your trust, your ideas, your patience, your advocacy, and your deep love for this remarkable community we call home.

Together, we have watched Vineyard grow from a small town with only a few roads into a vibrant, connected city. We have welcomed incredible businesses and commercial anchors, invested in our beautiful shoreline, and preserved the open spaces that define us.

We have built safe, beautiful neighborhoods; created parks and trails where we gather; and designed and laid the core infrastructure, road networks, and transportation systems that support our burgeoning community. We have set the foundation for a dynamic downtown that will serve Vineyard for generations.

In Vineyard, we built strong communication channels and developed the groundwork for our systems and city code. We have developed lasting relationships by working hand-in-hand with regional partners, schools, businesses, and nonprofits to bring new opportunities, services, and amenities to our residents. We innovated for the future while staying rooted in the heritage that defines Vineyard.

We removed federal, state, and local barriers and deregulated in smart, strategic ways that created a vibrant environment for commercial growth. We opened doors to homeownership for young students, families, and retirees. We preserved spaces that honor the generations who came before us, provide quiet refuge, and offer meaning for our children. Vineyard has become a place where you can get your start, raise a family, retire, and rest.

Together, as a community, we have built a city that is financially secure, where public safety keeps pace with our quality of life, and where long-term infrastructure investments in our redevelopment agency continue to uphold strong free-market principles. Our youth have become an impactful force in our community, driving projects and practices that strengthen the future for the next generation. Volunteers have dedicated their time and talents to planning, culture, the arts, and incredible recreation opportunities, shaping the character and qualities of our city and creating the community that brought us all here.

THE VINE

December 2025

Our community gardens and committees have activated and engaged our young residents to our most senior residents, bringing expertise, wisdom, and knowledge across generations, creating something truly special in Vineyard. Vineyard is blessed with dedicated public servants who care deeply for our residents and for the future we are building. This is a place where people truly want to live, work, and play—and we built it together.

As we've grown, I am especially proud of the way our community continues to show up for one another. Our story is written in the everyday acts of connection; reaching out to a neighbor, gathering for both life's celebrations and its difficult times, and coming together over dinner tables and moments that matter.

Through your service, whether volunteering at events, participating in public meetings, offering ideas, or expressing concerns, you have helped shape the direction of this city. Vineyard's strength has always been in its people. In Vineyard, we don't have problems, we have plans, and that says everything about who we are together.

Serving as your Mayor has allowed me to work with incredible council members, dedicated staff, engaged residents, and committed partners. The relationships we've built and the progress we've made come from a shared belief that cities are strongest when residents are informed, involved, and empowered. Thank you for raising your voices, asking hard questions, and partnering with us to build something better.

As my time as Mayor comes to a close, I am excited to watch Vineyard continue to grow, innovate, and thrive. The foundations we have laid together position this community for an extraordinary future. I will always care deeply about this city and will continue to serve however I can—as a neighbor, a volunteer, and a strong supporter of the work ahead. As we continue to grow, I hope we remain rooted in critical conversations, in a deep kindness that remembers we are neighbors first, in honest advocacy for our community, and in building. When we look back, I hope we see the success of our individual perspectives and the beauty of the home we have shaped together.

I look forward to celebrating your successes and cheering on the next chapter of Vineyard's story.
Thank you deeply from my heart, for the privilege of serving you. It has been an honor to walk this path with you, and I cannot wait to see all that Vineyard will become.

Merry Christmas!

Mayor Julie Fullmer

As the flakes start to fall, please do your part to help our Public Works crew keep the roads clear and safe. Try to avoid parking on the street whenever possible.

Your cooperation helps keep everyone safe — and makes our job a whole lot easier!

Thank you from your Vineyard Public Works Streets Team!
