Landlord Agreement

Vineyard, UT 84059

As owner of the rental property listed below within Vineyard City, I understand that all utility accounts will be in my name, with renters being added as guarantors on the accounts for the time they are residing at the property. I agree that I am ultimately responsible for all water, sewer, storm water, solid waste, and transportation services provided to the properties listed on this agreement while I own the property. I understand that the utility services will automatically stay connected and charges will accrue during periods of vacancy.

In the event of the service being disconnected for nonpayment while I own the property, all of the delinquent amounts are to be paid in full before service will be restored. I agree that I will not hold Vineyard City liable for any damages incurred should Vineyard City disconnect utilities during the course of routine collections. Vineyard City is not required to notify me of disconnection. I will contact Vineyard City for the reconnection of services.

This authorization will be in effect immediately after receipt by Vineyard City and will remain in effect until I no longer own the property or it is cancelled by Vineyard City.
