Registering an Account

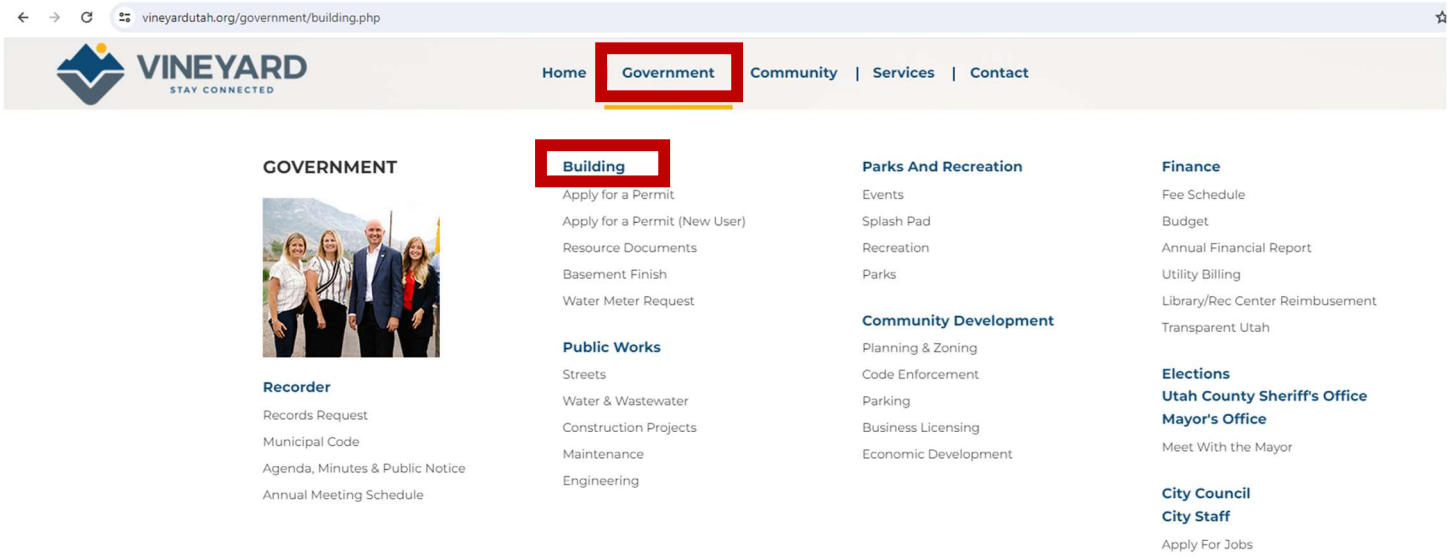

Thank you for your interest in pulling a permit from the Vineyard Building Department. Provided below is information to help you apply online for a building permit. Contact us at 801-226-1929 or building@vineyardutah.gov if you have additional concerns or questions.

In order to submit a building permit in Vineyard you must first have a registered builder account. Be sure that the email you used to register your account is the email you provide on your application.This will allow you to track progress on your permit, upload documents, and even schedule inspections.

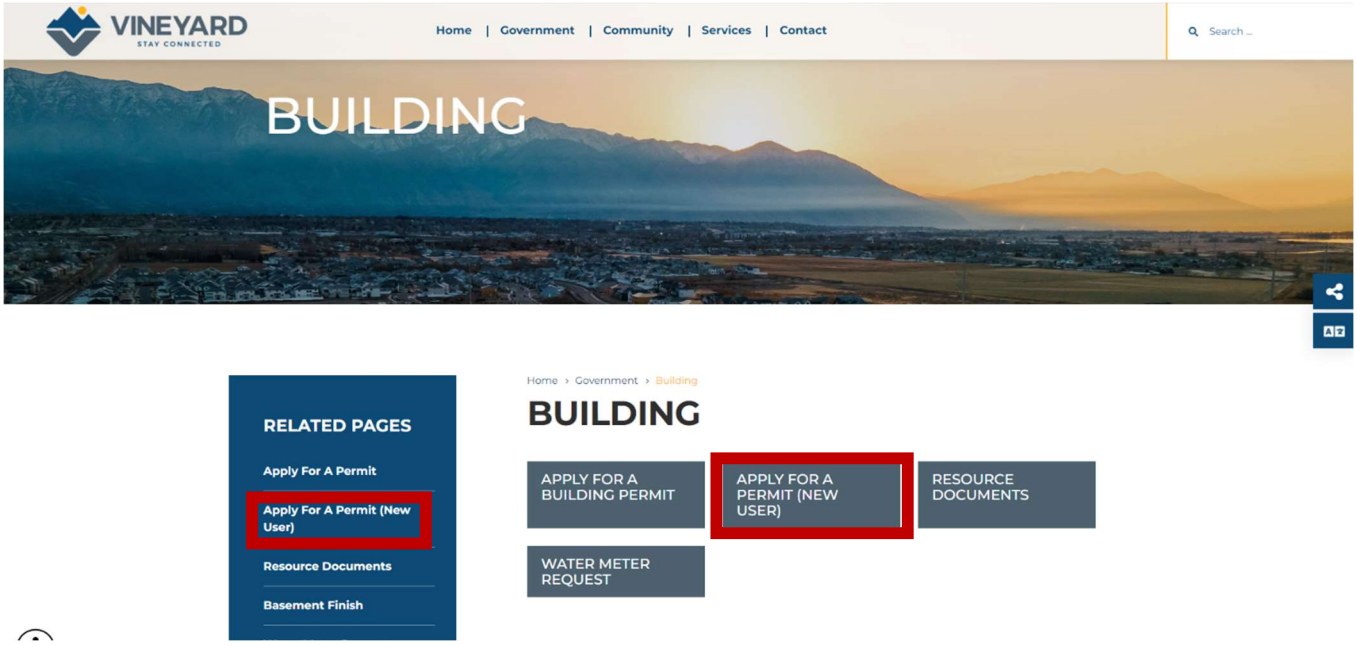

1. Visit our website at vineyardutah.gov

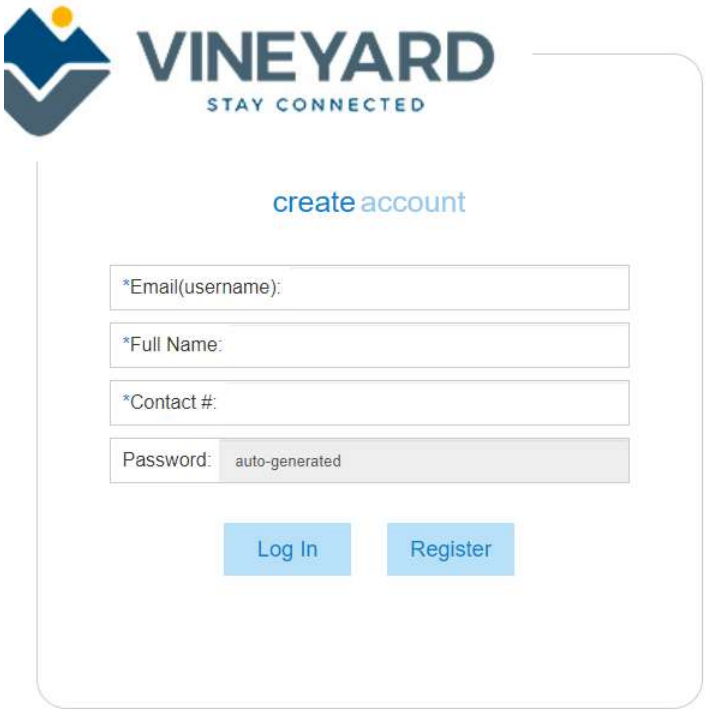

2. At the top, hover over the Government Tab, then select Building.

3. Once on the Building page you will select Apply for a Building Permit on the left side or in the middle of the screen.

4. Fill in the required field of information and click register. You will receive an email to the address provided with a temporary password.

5. Now that you're registered you can log into your builder account and start the submittal process.
