MESSAGE FROM THE MAYOR

A Message from Mayor Zack Stratton

To say that I am humbled and overcome with your love and support and confidence would be a understatement of the sentiment I feel today. As I was going through the onboarding packet that Mayor Fullmer made for me. There was a lot in there. And there was a lot in there that made me pause and think about the confidence and the trust that communities placed in me, and I, from the bottom of my heart, I say thank you. I think as well, any speech or talk without giving due to gratitude to my wife. We started 14 years ago when my dad first ran for the House of Representatives.

My wife helped him out and I helped him out with his campaign. She was pretty pregnant with our oldest son. And I remember she turned to me that time. She said, “Zack, if you ever get into politics, I'm going to kill you.”

About a year ago, I started getting a lot of support from the community, inviting me to run and put my hat in the ring for mayor. I started seriously considering it, and as I went through that process, the first person I talked to is my wife and she reminded me of that moment. She said “Hey, you don't want to be a dead man, do you?” And as we prayed about it and got comfortable with it and felt that this was the right thing for us, for the community, we decided that we were going to throw our whole hearts into this.

On the campaign trail, we made some promises specifically regarding transparency, regarding respective taxpayer dollars, returning the city back in the hands of the citizens.

Over the last month or so, since I was declared the winner, we've really been hard at work and I just want to tell you how grateful I am to be working alongside this amazing council. These are men of integrity, men of rectitude, men who are willing to do the hard thing rather than the easy thing, and my commitment to you and to Vineyard is that we will do all we can to be transparent, to respect your hard-earned dollars, and ensure that we do the will of people.

I'm grateful today for this opportunity to be to be sworn in. It's pretty emotional for me, but again I pledge my heart to you guys. I will do my very best to do everything I can to make Vineyard the best place it can be. God bless Vineyard.

HAPPY 2026!

Utah County Sheriff's Office – Vineyard Division would like to wish you a happy and safe 2026! We are grateful to serve you and our community!

We like to announce two new sergeant positions effective January 1, 2026. Congratulations to Deputy Bret Ryan and Deputy Carson Holm on their promotion to sergeant.

Sergeant Ryan has served in our community first as a patrol deputy and for the past few years as the School Resource Officer. Congrats Sergeant Ryan!

Sergeant Carson Holm served in our community as the property crimes detective for the past two years and prior to that he was a patrol deputy and worked in corrections.

Both men bring a wealth of experience to our city. Congrats to Sergeant Holm! We're thrilled to have you guys!
We'd also like to welcome SVU Detective Jimmy Posadas to our team. This is a position that was added as of January 1, 2026. Detective Posadas served our community as a patrol deputy a few years ago. We're excited to work with him again!

As always, please report any suspicious activity to the Utah County Sheriff's Office at 801-798-5600. If it's an emergency, dial 911. Follow us on Facebook or Instagram for additional updates about things going on around Vineyard.

CROSSWALK UPDATE
600 N & 400 MILL ROAD

Vineyard City has approved the new traffic signal and crosswalk improvements at 600 N and 400 Mill Road. The City partnered with Avenue Consultants and the Vineyard City Active Transportation Committee to design safer, more pedestrian-friendly crossings that support the goals of the Active Transportation Master Plan. Design work is now complete, construction materials have been ordered, and Oak Hollow has been contracted to complete the improvements. Construction will be the next step.

CIP PROJECT GIS MAPPING DATABASE UPDATE

Vineyard City is developing a new GIS-based Capital Improvements Program (CIP) map and dashboard to better communicate major city projects and investments!

This public-facing tool will provide an easy-to-understand view of active and planned projects across Engineering, Public Works, Parks, Planning, and Public Safety. The map will show project locations, timelines, phases, and high-level funding information, with updates occurring quarterly. Initial data development is underway, and the City is working toward a user-friendly platform that supports transparency, coordination, and long-term planning.

❄ WINTER IS HERE! ❄

As the flakes start to fall, please do your part to help our Public Works crew keep the roads clear and safe. Try to avoid parking on the street whenever possible.

If our plows can't safely get between parked cars, trailers, or other obstacles, we just can't risk it — even our most experienced drivers could get hurt or end up damaging equipment or your vehicles.

Your cooperation helps keep everyone safe — and makes our job a whole lot easier!

Thank you from your Vineyard Public Works Streets Team!
