MESSAGE FROM THE MAYOR

A Message from Mayor Zack Stratton

Dear Vineyard Residents,

As we move into March, I want to thank you for the opportunity to serve as your mayor. Over the past several weeks, the new administration and City Council have been working to carefully review city operations and address issues that directly affect our families and businesses.

One issue that came to our attention in late February involved the Transportation Utility Fee (TUF). Several local business owners began raising concerns on social media after receiving utility bills that were significantly higher than they had expected. As these concerns were brought forward, our administration quickly began reviewing the issue to better understand what had occurred.

During that review, we discovered that a Transportation Utility Fee had been approved by the previous City Council during their final month in office last December. As the policy began to take effect, businesses began receiving utility bills reflecting substantial increases. In one instance, a local business reported their monthly bill increasing from $411 to $5,357!

While funding transportation infrastructure is important for a growing city like Vineyard, funding policies must also be responsible and take into consideration our economic engine that drives the future success of our community.

On March 5th, I issued an Executive Order temporarily pausing enforcement actions, penalties, and fines associated with the Transportation Utility Fee. This action allows the city time to conduct a comprehensive review of the program, including the methodology used to calculate the fee, the financial assumptions behind it, and the overall impact it may have on Vineyard residents and local businesses.

Our goal is to ensure that any long-term solution for transportation funding is fiscally responsible while also being fair and sustainable for the community.

Beyond this issue, our administration continues to focus on improving city services, strengthening communication with residents, and ensuring Vineyard remains a place where families can afford to live and businesses can succeed.

This month also brings opportunities for residents to come together through community events, including the Vineyard Gold Rush 5K and Kids 1K at Grove Park, which highlights the strong sense of community that makes Vineyard such a special place to live.

Vineyard is one of the fastest-growing cities in Utah, and with that growth comes both opportunity and responsibility. Our commitment is to guide that growth thoughtfully while preserving the quality of life that residents expect and deserve.
Thank you for staying engaged and for being part of the future of Vineyard. It is an honor to serve you.

Sincerely,
Mayor Zack Stratton
City of Vineyard

🐰🥚 VOLUNTEERS WANTED! 🥚🐰

SIGN UP HERE!

Come help us fill Easter eggs for the Easter Bunny Egg Drop! ✨
Join us at the Vineyard Library on any of these dates:

March 10 | 6–8 PM
March 12 | 6–8 PM
March 18 | 6–8 PM
March 19 | 2–4 PM
March 24 | 6–8 PM
March 25 | 6–8 PM
March 28 | 9–11 AM

It's easy, fun, and a great way to give back to the community 💛

HELP PLAN VINEYARD DAYS! 🎉

Vineyard Days is coming up June 1–6, and we're looking for community members who want to help make it an amazing week!

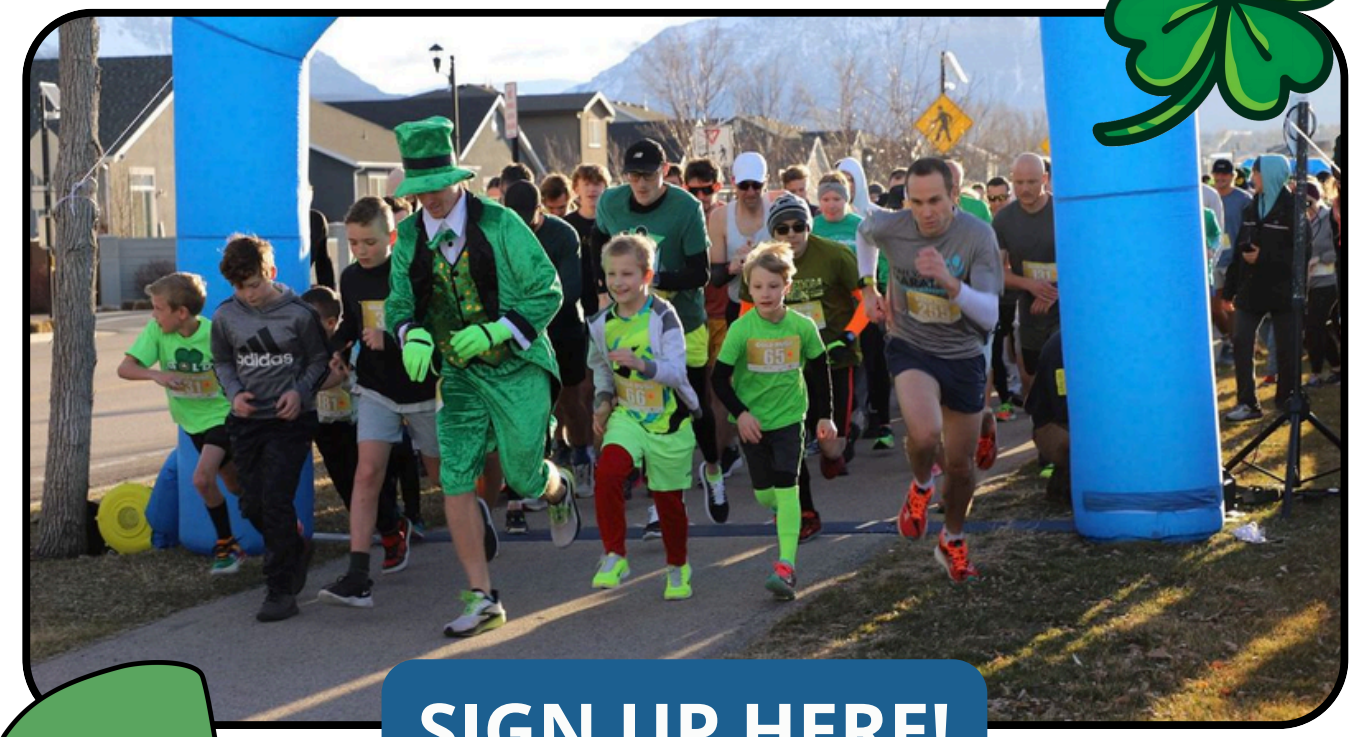

We're currently looking for both organizers and volunteers!

- Organizers will serve on the Vineyard Days Committee and help plan the events and activities for the week.
- Volunteers will help during Vineyard Days with things like the parade, kids crafts, activities, and more!

If you're interested in getting involved, sign up and let us know how you'd like to help!

For questions, please email davidk@vineyardutah.gov

SIGN UP FOR THE GOLD RUSH 5K & 1K RACE

SIGN UP HERE!

Join us Saturday, March 21st for Vineyard City's Gold Rush Race!

Choose from a chip-timed 5K or a Kids 1K and enjoy scenic trail views along Utah Lake. Beat the race Leprechaun and you could win a real Golden Dollar coin!

VINEYARD CITY PARKS CONCESSIONS

Vineyard City is excited to implement a food truck permit program that allows for the selling of concessions at Grove Park in correlation with Vineyard Recreation programs,

REGISTRATION DEADLINE IS MARCH 15TH

NEW TRAFFIC SIGNALS BEING ADDED!

LEARN MORE HERE!

Vineyard City is getting new traffic signals to help improve safety and traffic flow in our community.

Construction begins Monday, March 9th at the intersection of 400 North and Mill Road. During the first phase, crews will be completing underground utility work like conduit installation and foundations. This work is expected to last about six weeks, and you may see shoulder work in the area.

Once that phase is complete, traffic signal equipment will be installed at a later date.

We're also adding four traffic signals at **Main Street and Vineyard Loop Road.**

These improvements will help create safer pedestrian crossings, improve visibility for drivers, and make it easier to enter and exit nearby roads. Please drive carefully around construction zones, and thank you for your patience as we work to make Vineyard safer for everyone.

RESIDENTIAL REBATES

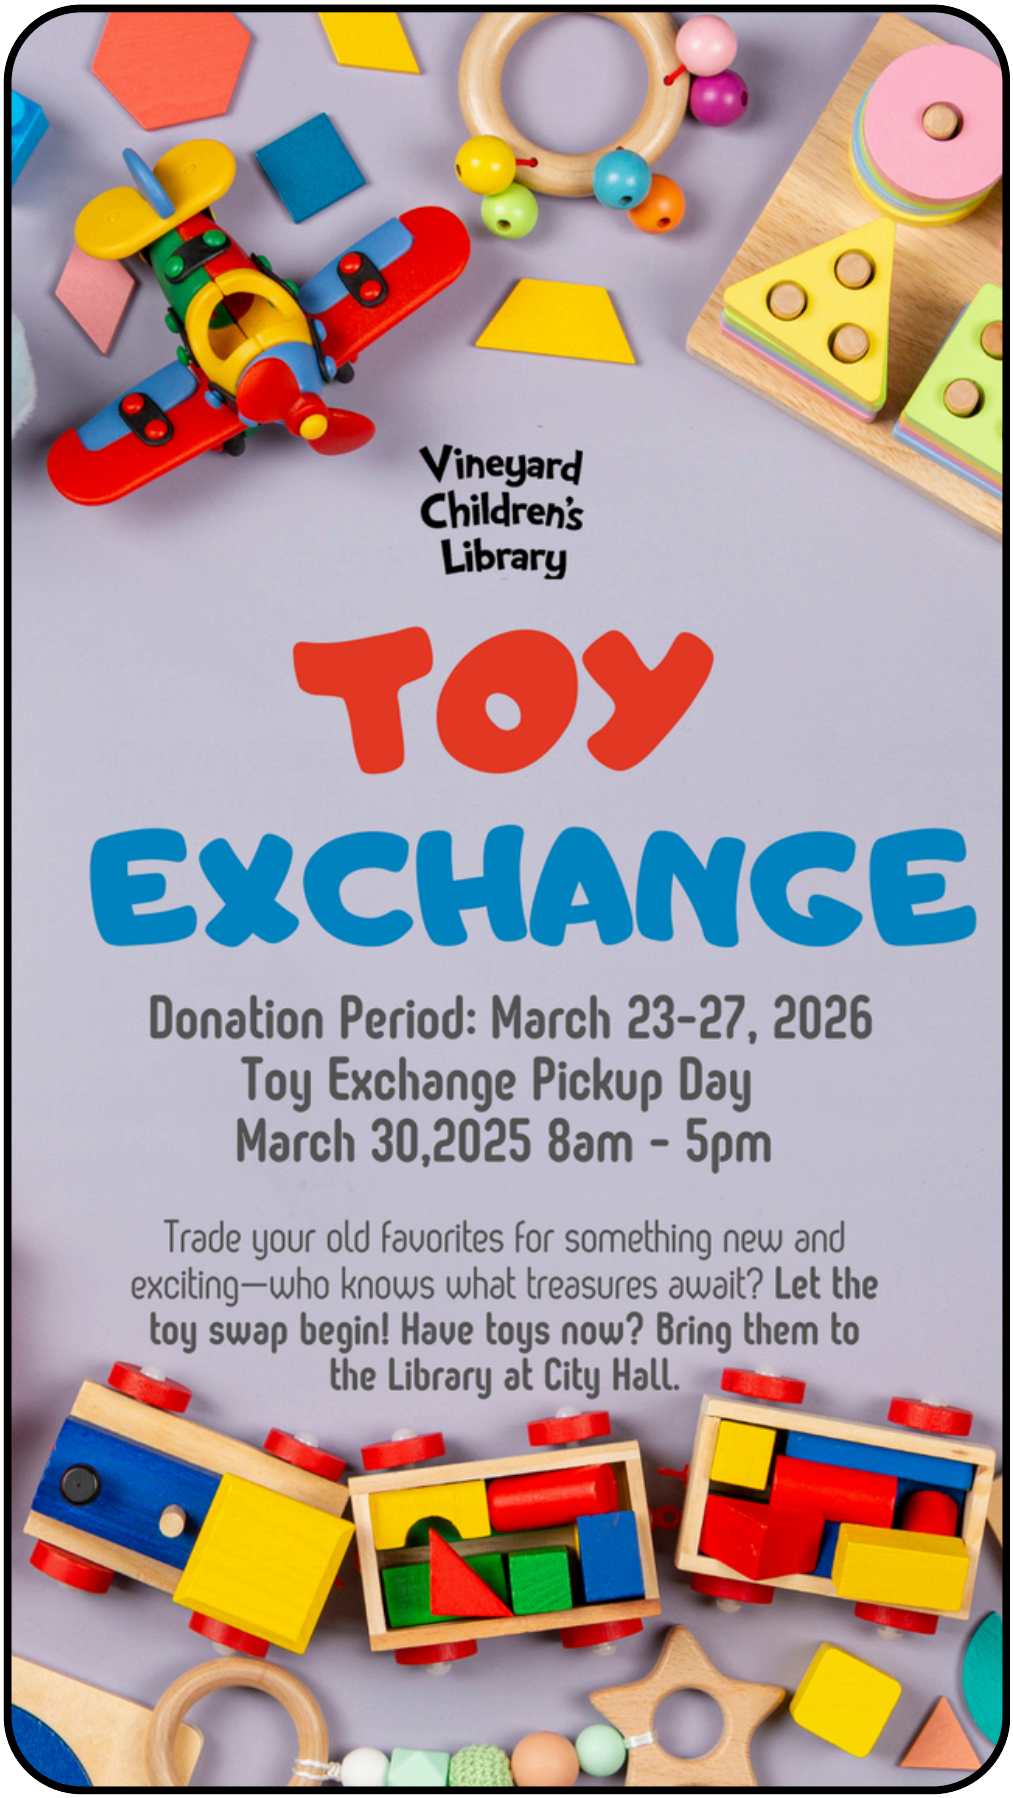

Did you know you may qualify for water-saving rebates through the Central Utah Water Conservancy District?

These programs help homeowners conserve water while lowering costs on home upgrades.
Available residential rebates may include:

- Landscape Incentives – Get up to $3 per square foot for replacing lawn with water-efficient landscaping, $1 per square foot for switching to drip irrigation, and $50 per tree (up to 10 trees).
- Smart Irrigation Controllers – Receive up to $100 for installing a WaterSense-approved smart irrigation controller that waters based on weather conditions.
- High-Efficiency Toilets – Homes built before 1994 may qualify for up to $150 per toilet when replacing older models with WaterSense-approved fixtures.

These rebates make it easier to create water-wise yards, upgrade your home, and help conserve Utah's water supply.
