MESSAGE FROM THE MAYOR

A Message from Mayor Zack Stratton

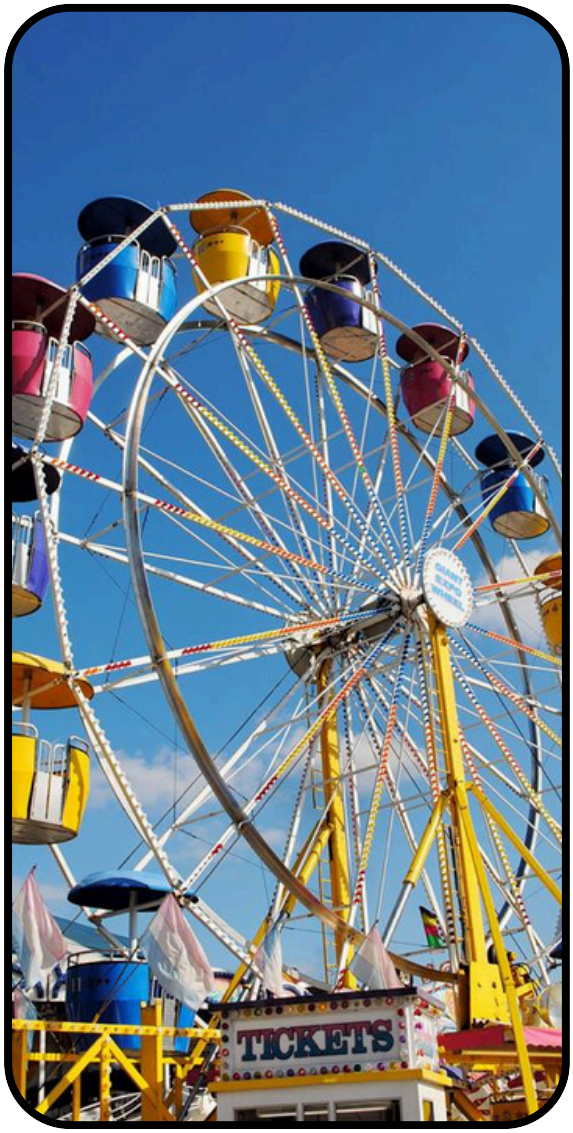

As we head into May, there is a real sense of excitement and momentum here in Vineyard. Warmer weather, longer days, and families returning outdoors remind us why so many people love calling Vineyard home.

This month also means we are preparing for one of the most anticipated events of the year: Vineyard Days.
Vineyard Days is more than just a celebration. It is an opportunity for neighbors, families, businesses, and friends to come together and celebrate the community.

From the new motorized parade and carnival to the fireworks to activities at Grove Park, children's market, local vendors, car show, and family events, there will truly be something for everyone to enjoy. This year is especially meaningful as we welcome Olympian and Vineyard resident Caleb Furnell as our first-ever Grand Marshal.

As your Mayor, one of my goals has been to continue building a city government that communicates openly, listens to residents, and creates opportunities for community connection. Events like Vineyard Days help strengthen those connections and remind us that despite different backgrounds or opinions, we are all neighbors working toward a brighter future for our city.

I invite every resident to come participate, put together a parade entry or volunteer, meet someone new, support local businesses, and make lasting memories with your family and friends. We look forward to celebrating with all of you!

AMERICA 250 ARMED FORCES DAY
FLAG RAISING CEREMONY

Join Vineyard City for a special Flag Raising Ceremony as we celebrate Armed Forces Day and commemorate America 250.

This patriotic ceremony will honor the service and sacrifice of our veterans and active military, and pay tribute to the veterans in Vineyard who helped make this moment possible.

Come be part of this meaningful flag raising ceremony as we gather as a community, reflect on the courage of those who have served, and proudly raise the America 250 flag.

Ever wondered if your property is in a floodplain?

Vineyard City is updating our floodplain regulations to stay compliant with FEMA and keep our community eligible for:

-Flood insurance
-Federal funding
-Disaster assistance

These updates reflect new information about flood risks around Utah Lake, including wave action and higher water levels during runoff years.

SUBMIT YOUR COMMENT HERE!

Each year, Vineyard City publishes the annual Drinking Water Quality Report, in compliance with the Safe Drinking Water Act.

The report includes water quality test results from the previous year, information about where your water comes from, and the process used to ensure it remains safe and clean for our community.

The full report is now available online at vineyardutah.gov

HOME PROJECTS AND PERMITS: WHAT RESIDENTS SHOULD KNOW

PERMIT **SAFETY TIPS**
From Your Building Inspector

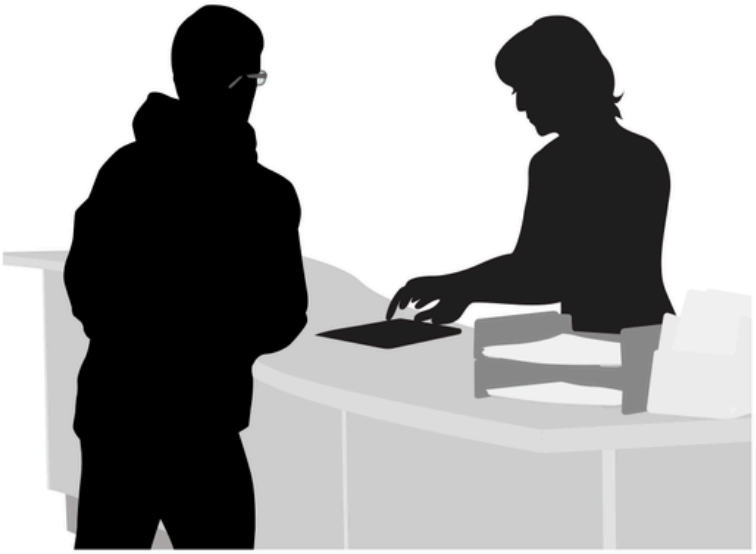

BUILDING SAFETY MONTH

Do I Need a Permit for My Home Project?

Check with your local building safety department before beginning home improvement projects. Requirements vary, but many building safety departments require permits for home improvement projects, including electrical, mechanical, structural or plumbing work. As a result of getting a permit, an inspector will check the work. Inspections provide a measure of safety to protect your life and property.

Projects That Usually Require Permits

- Re-roofing
- Installing electrical outlets
- Window frame modifications
- Remodeling kitchens or bathrooms
- Installing a pool, spa or hot tub
- Building an addition, including seasonal rooms
- Installing equipment and replacements such as furnaces, water heaters, fireplaces and space heaters
- Building a tall fence and decks

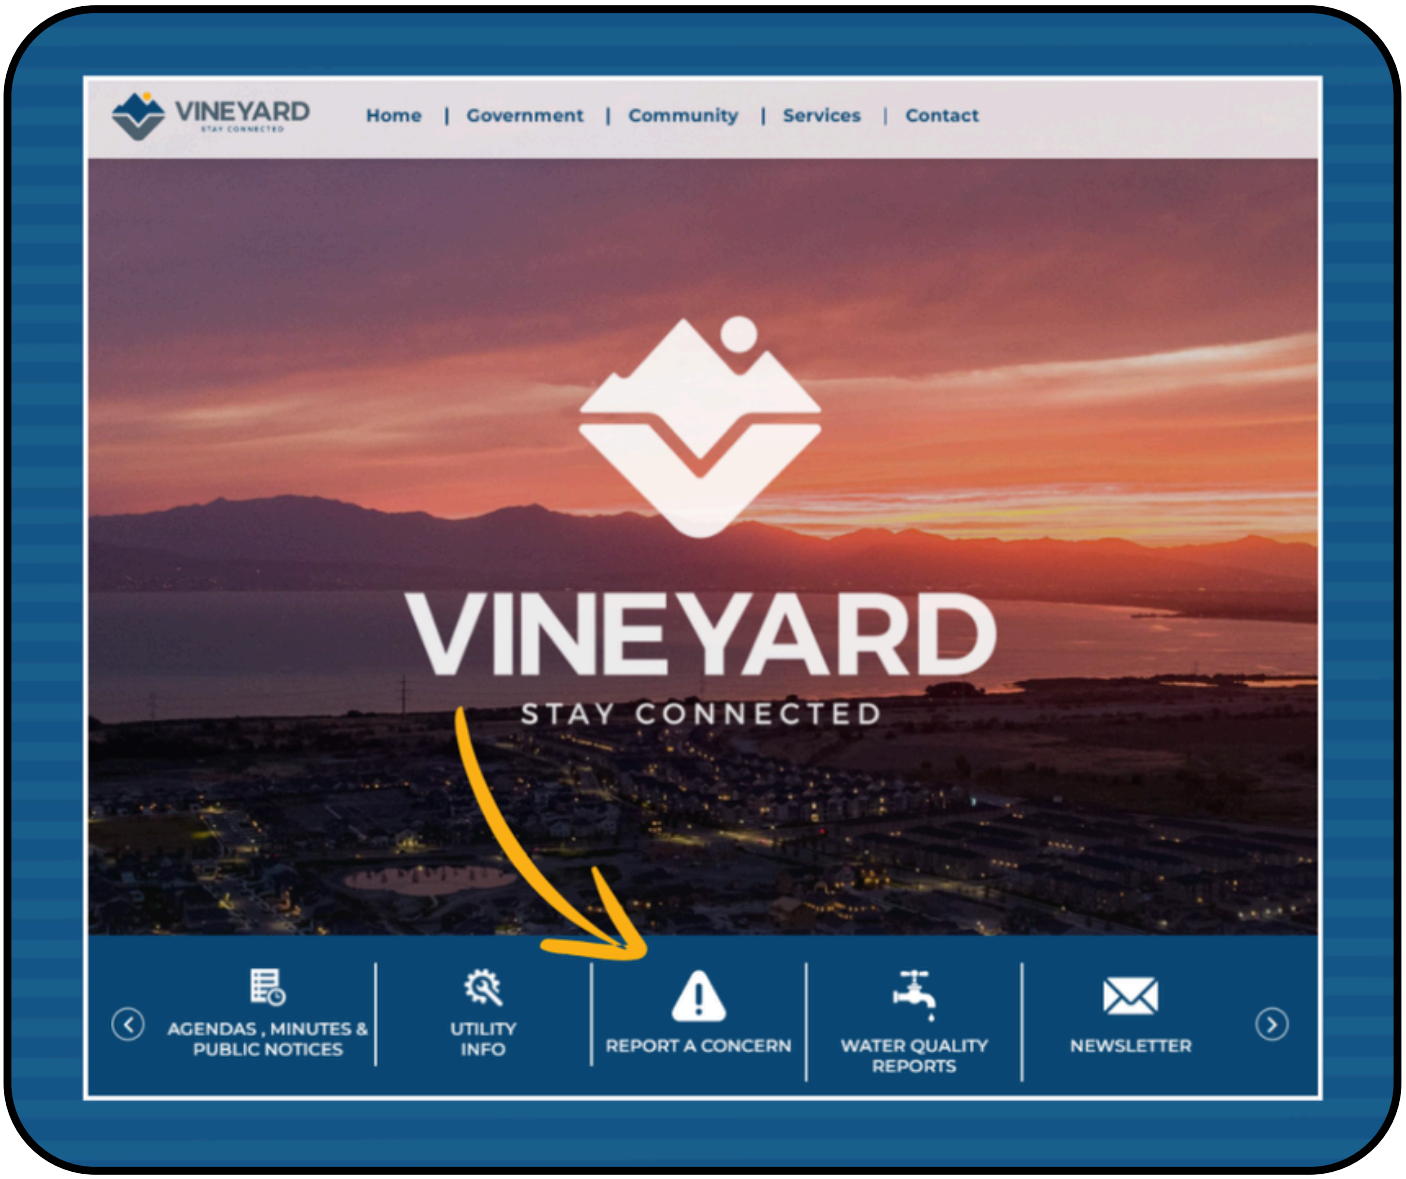

If you are planning to make home improvements, contact your local building safety department to find out what building safety code provisions apply in your area and if you need a permit.

REPORT A CONCERN

If you notice a streetlight outage, pothole, signage issue, or anything else that needs attention in Vineyard, you can easily submit a Report a Concern through VineyardUtah.gov.

Our Code Enforcement Officer reviews each submission and makes sure it gets to the right team so we can keep Vineyard safe and running smoothly.

Thank you for helping us take care of our community!

HELP BUILD VINEYARD'S SKATEPARK!

We're working to bring an all-wheels concrete skatepark to Vineyard and donations right now are critical as we prepare to apply for a state grant this spring. Community support helps make this project possible.

✅ Every donation makes an impact

✅ Funds go directly to skatepark construction

✅ Donations stay dedicated to a Vineyard skatepark

Donate via cash, check, or card at Vineyard City Hall or through the link here!

Let's build this together!
