GOV101

YOUR LOCAL GOVERNMENT INFORMATION STATION

Vineyard City has elected officials and staff who work hard each day to assure that the City is running and developing smoothly and that your needs as a resident are being met. However, local government can sometimes be a bit of a mystery to those who aren't involved in it daily. So we've created GOV101 to demystify it a bit. Every month, you can come here to find out more about what your local government does everyday to make Vineyard great!

GENERAL PLAN

The General Plan is a policy document that assists communities in matching public investments in roads, parks, trails, services and utilities with population growth projections. Vineyard City adopted its current General Plan in 2004, when Vineyard was home to about 100 residents. This plan provided a framework for much of the current development including residential, commercial, industrial and open space currently in place. We now have over 14,000 residents with projections topping 20,000 in the next five years. We are currently in the process of updating the General Plan. This includes developing plans for future open space. We are currently planning future parks with recreational amenities, as well as adding public access points to the lake. We will hold a Public Hearing later this month. Access to the proposed General Plan is available on our website.

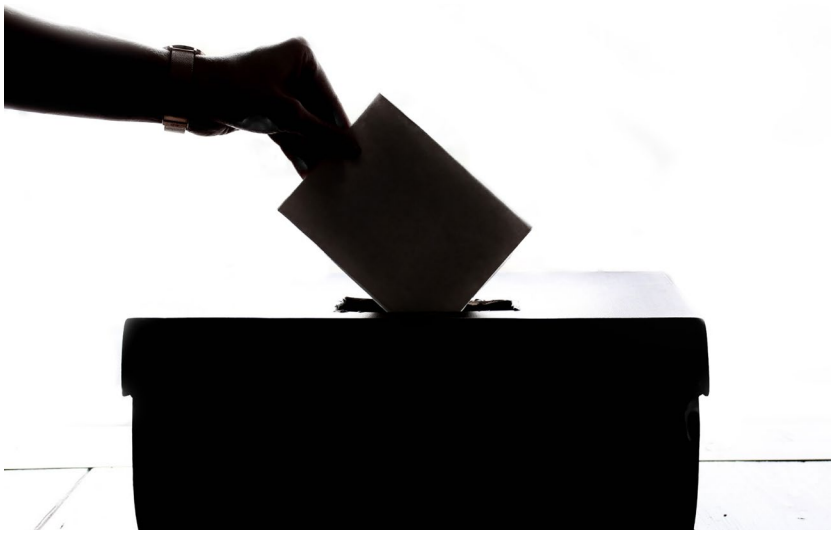

HIGHLIGHT

During the Vineyard Heritage Celebration, the City asked residents to rank their top three amenities they want to see incorporated into park plans. The top three choices were the development of a Zen Garden, all-abilities playground, and fish pond. The next three choices were a ropes course, pickle ball courts, and park celebrating our Vineyard's heritage. Understanding what residents want will help the City to prioritize funding efforts as park improvements are constructed. Any questions regarding the General Plan and future park improvements may be directed to the Community Development Department:

We have no shortage of information on how your local government works that we want to share with you, but if there is something specific you'd like to learn more about, please reach out to us by phone at (801) 226-1929 or by email at info@vineyardutah.org.

2019 ELECTIONS

WHAT IS RANKED CHOICE VOTING?

Ranked choice voting is a nonpartisan electoral reform that gives voters the freedom to rank candidates in order of choice.

RANK CANDIDATES HOW YOU SEE FIT
Instead of choosing ONE candidate, ranked choice voting allows voters to rank all candidates according to their preference (1st, 2nd, 3rd, etc.).
In each round of ranked choice voting, the candidate with the lowest number of votes is eliminated. When a voter's number one choice is eliminated, their second choice is included in the count for the second round. This process continues until the final round.
Click here for a video of a short demonstration on how ranked choice voting works.

SHERIFF'S DEPARTMENT

The Utah County Sheriff's Department - Vineyard Division now has a Facebook page! Follow them here to see regular updates and news!

Please report any suspicious activity to the Utah County Sheriff's Office at 801-794-3970.

BOOKMOBILE CHANGES

Have you been taking advantage of the Utah County Bookmobile that stops in Vineyard? This free service is in our city every other Monday from 5 - 6:30 PM.
The Bookmobile's new permanent location is Vineyard Grove Park. You can view their regular schedule on their website here.

DOGGIE MEET AND GREET

Date: Tuesday, June 11th
Time: 5:30 to 7:30 PM
Place: Vineyard Grove Park in the Detention Basin
We will be providing information about Vineyard and the State of Utah dog laws. Residents can give feedback on where they think a dog park should be and what kind of dog amenities they want to see around the city. This is an event to bring your dog to meet other dogs and for you to meet other dog owners.

HERITAGE CELEBRATION EVENT

Thank you to all who celebrated Vineyard's 30-year anniversary during the Vineyard Heritage Celebration event the last weekend of May! Attendees enjoyed a carnival, pioneer-era activities, pony rides, a petting zoo, vendor booths, food trucks, 3-on-3 basketball tournament, chalk the walk, a movie in the park, The Strike concert, and a huge firework show! We hope to see you all next year at our annual Heritage Days event!

INCREASED WATER USAGE

Warmer weather and watering your lawn means an increase in your water usage! Here are some tips to keep in mind for water conservation and **saving money on your utility bill**!

- Follow the Utah Division of Water Resources Weekly Watering Guide
- Water before 10 AM or after 6 PM
- Water when there is little to no wind
- Let grass grow 3"-31/2" for healthier, deeper roots
- Spread grass clippings to hold in moisture and keep your lawn cooler
- Use the cycle soak method when watering
- Invest in a smart watering system
- Register your Eye on Water account to track your water usage.
