GOV101

Vineyard City has elected officials and staff who work hard each day to assure that the City is running and developing smoothly and that your needs as a resident are being met. However, local government can sometimes be a bit of a mystery to those who aren't involved in it daily. So we've created GOV101 to demystify it a bit. Every month, you can come here to find out more about what your local government does everyday to make Vineyard great!

SPECIAL EVENTS AND BLOCK PARTIES

Planning a special event or block party in Vineyard? The Administration Department can help with that! In addition, we process Film/Photography Permits. The purpose of these permits is to ensure the proper safety procedures are followed.

Permit applications need to be submitted at least 30 days prior to your event. A Special Event Permit is required for events with 50 or more people. Application requirements may include things like an event site plan, parking plan, crowd control plan, and trash collection plan. There are additional requirements, including vendor information, depending on the size and location of your event.

A Block Party permit is required when you are doing a party in your neighborhood that will require a road closure. This allows Vineyard staff to coordinate with the Sheriff's Department. A parking plan and event site plan are two of the requirements for this permit.

Film permit submittals are required at least 21 days in advance and are needed when organizing a group of ten or more people in the production of photographic, video, or audio recordings within Vineyard boundaries. Written approval from property owners, as well as a certificate of insurance is required for this type of permit.

When these permit applications are submitted to the Administration Department, the applications are reviewed and sent to the appropriate city departments to review event plans. Meetings with Public Works, Business Licensing, and the Sheriff's department may be necessary, especially for special events, to make sure we are meeting all state and county requirements. You can find all the above mentioned permit applications, as well as additional information, on our website.

RECYCLING OPT-OUT MONTH

You can sign up for recycling at any time throughout the year, but the only time to opt out of recycling is during the month of September. If you would like to opt out, stop by our office to fill out the appropriate form, or visit our website. Recycling is only $6 a month. If you would like to sign up for recycling, just call the City office and we will have a can delivered.

HERITAGE COMMISSION CORNER

"One of the outstanding traits of the community of Vineyard has always been it strong commitment to this great country, and its show of patriotism whenever there was a need to defend the principles upon which it was founded. Even though young men were a critical and valuable resource to the economy of Vineyard, she was always willing to sacrifice them to the greater good of freedom and liberty. Five Vineyard families (Bunker, Handley, Clegg, Gammon, and Sorensen) had sons who served in World War I. Between WW I and WW II, continuing the tradition of service to country, several Vineyard residents were members of the National Guard and Merchant Marines. Over 80 young Vineyard men served in WW II in every branch of the service, including the Merchant Marines, and Coast Guard, and served all over the world. Unfortunately, not all of them returned alive, having given the ultimate sacrifice!

Not to be forgotten, were the women of Vineyard who also were involved in anyway they could be to help the war effort. One such woman was Olena Larsen Gammon, who helped by knitting hundreds and hundreds of warm woolen socks, scarves, and stocking caps, which she donated to the American Red Cross so that they could be distributed world-wide to the servicemen on active duty. This strong spirit of patriotism continued through the Korean Conflict, in which 22 Vineyard young men served and then into the Vietnam era and even decades later in Desert Storm and beyond. We salute the service and sacrifice of all of those who served abroad and at home, and honor the legacy they so richly established as a foundation of this great community."
