THE VINE

REDUCE YOUR RISK OF CORONAVIRUS

STAY HOME
whenever possible!

ENJOY
the fresh air by utilizing our trails and open fields.

WASH HANDS
after using the restroom and before and after being in high traffic areas, like the park.

HOUSEHOLD
members should be your only close interactions when possible. Avoid areas where large groups can congregate.

6 FEET
between yourself and others. Enjoy activities in the park involving only those in your household.

Coronavirus can live on some materials, **including playground equipment**, for up to 72 hours. Please use caution and practice responsible social distancing.

COVID-19 RESOURCES

Over the last few weeks we have seen a dramatic shift in our daily lives with the rapid spread of the Coronavirus. As we continue to adapt and adjust to the new now, we want to make sure you are taking necessary precautions to keep yourself and your family safe and healthy. We have compiled a few resources that may benefit you at some point during this pandemic.

SMALL BUSINESS LOANS

The terms of the SBA loans are as follows:
· 3.75% interest rate for small businesses
· 2.75% interest rate for non-profits
· Repayment terms of up to 30 years
· To apply for SBA loans, please click the following link:
https://www.sba.gov/funding-programs/disaster-assistance

GOED BRIDGE LOANS FOR SMALL BUSINESSES

Loan amounts range from $5,000-$20,000 with 0% interest for up to 60 months. Loans cannot exceed 3 months of demonstrated operating expenses. Loan payments are deferred for 12 months.

TESTUTAH

TestUtah is a new initiative sponsored through Silicon Slopes and in partnership with our state leaders and private corporations. Their goal is to dramatically increase the rate of COVID-19 testing so Utahns can have better access to testing and help stem the spread of COVID-19, to get us back to normal as quickly as possible.
TestUtah.com

ONE UTAH CHILD CARE

Licensed child care for first line employees - doctors, nurses, and first responders.

HOW YOU CAN HELP

SUPPORT LOCAL BUSINESS

If there was ever a time to support local businesses, it's now! If you need to go out for something, whether it's a quick drive-thru dinner or a birthday gift, try to make it happen in Vineyard! Our local businesses need our support during this time, which will also make sure that we keep moving and building in Vineyard.

Most businesses have adapted for curbside pickup and drive-thru to support social distancing. Take a drive and see how you can support local businesses a few times a week!

DINE UTAH VALLEY

Utah County has partnered with Explore Utah Valley's website to launch DineUtahValley.com. It is designed to help restaurants and other food establishments to announce their options for curbside/take out/delivery. We encourage you to email visitors@utahvalley.com and include your establishment on the directory.

ADDITIONAL OPPORTUNITIES

Visit https://coronavirus.utah.gov/help/ for additional ways to donate and volunteer during the COVID-19 pandemic.

FOOD DRIVE

Vineyard City is proud to partner with Community Action Service and Food Bank in Provo to host local food drives this month. Donation items will be collected Tuesdays and Wednesdays in bins located outside the city office building at 125 S Main St, Vineyard.

Please check our website (vineyardutah.org) for details. Lists of needed items and drop-off locations will be listed there.

BLOOD DRIVE

BLOOD DRIVE

The American Red Cross will be conducting two blood drives in Vineyard:
Thursday, April 9 | 1-7 PM
Wednesday, April 22 | 1-7 PM

Vineyard Stake Center
422 E. Holdaway Road

Please visit their website to schedule an appointment time. Appointments are strongly encouraged to stagger donors to best practice social distancing.

Giving blood is essential to community health and eligible donors are strongly urged to donate during the COVID-19 outbreak. The Red Cross follows the highest standards of safety and infection control, and volunteer donors are the only source of blood for those in need.

EVENTS AND PROGRAMS

BUNNY HOP EGG DROP
This year's event has been canceled in an effort to slow the spread of coronavirus.

EARTH DAY CLEANUP EVENT
This year's cleanup event will take place in your own neighborhoods. Watch our social media for ideas on how to beautify our community during the month of April while still practicing social distancing.

YOUTH SPRING SOCCER
The Youth Spring Soccer program has been postponed. Please watch your email for updates.

$10 off coupon | "HERITAGE10"
REGISTER HERE

HERITAGE DAY'S
We are looking forward to our annual Heritage Days celebration! In light of our current efforts to slow the spread of COVId-19, it is unclear when we will be able to resume our normal activities. We do know that this will pass and when it does we will celebrate our great city. For now, the event date remains June 4-6. Follow our Facebook event page for more details.

HERITAGE DAY'S RACE SERIES
Date: June 6, 2020
5K, 10K, & Kids 1/2 Mile

REGISTER HERE

ARBOR DAY

YAY! TREES! The last Friday in April each year marks Arbor Day, a special holiday that celebrates the importance of trees to our environment. Tradition is to plant a tree in honor or memory of a loved one.

Arbor Day sprouted from the mind of a zealous tree lover named Julius Sterlikng Morton, who had a passion for planting all kinds of trees. The first Arbor Day occurred on April 10, 1872.

Trees do a lot of good for our environment.

- They help keep our air clean; 100 trees remove 53 tons of carbon dioxide and 430 pounds of other air pollutants per year.
- They create safer communities; tree-filled neighborhoods lower levels of domestic violence and are safer and more sociable.
- They help make a healthy environment; 100 mature trees catch about 139,000 gallons of rainwater per year.
- They help homeowners save money; strategically placed trees save up to 56 percent on annual air-conditioning, and evergreens that block winter winds can save 3 percent on heating.
- They add value to businesses and private property; consumers shop more frequently and longer in tree-lines commercial areas, and each large front yard tree adds to a home's sale price.

As Arbor Day is largely about planting trees and raising awareness of the issues surrounding trees, there are many ways that people can take part in the day as well as just planting trees.
Plant a tree in your yard. The city has a tree manual that provides a list of trees that are great for our high desert environment, and a how to properly plant and take care of a tree.

If you can't plant a tree one way to promote Arbor Day to children is to involve them in tree related crafts and activities. This can include finding tree related coloring pages, making tree decorations from recycled materials, or reading a book.

You can pitch in and volunteer on Earth Day with the city to help clean up and plant trees around the city.

Happy Arbor Day!

OUR HERITAGE

DON'T SPEND IT ALL IN ONE PLACE
Life was difficult in the early years of Vineyard, which depended primarily on farming and dairy to earn a living. Harry Larsen recorded in a family history that there was some fun involved. He said as a young man he received $5 per month in allowance. But soda pop was only 5 cents, an ice cream sundae was 10 cents, a ticket to the dance was 50 to 75 cents, a haircut was 50 cents, and a shave 25 cents. When the Model T came along, however, the young men had to take turns buying gasoline, which cost 16 cents per gallon.

SHERIFF'S DEPARTMENT

Keep yourself healthy and we'll keep you safe! We are still out patrolling and doing all that we can to keep you safe. Please do your part and help us by calling if you see or hear anything suspicious. Non-emergency dispatch: 801-794-3970

As the weather warms up and children are outside riding bikes and scooters, please drive slowly and talk to your children about watching out for cars. We recommend regular conversations about proper helmet wearing and bike safety.

You can also follow us on Facebook for additional updates about things going on around Vineyard.
