GOV101

Vineyard City has elected officials and staff who work hard each day to assure that the City is running and developing smoothly and that your needs as a resident are being met. However, local government can sometimes be a bit of a mystery to those who aren't involved in it daily. So we've created GOV101 to demystify it a bit. Every month, you can come here to find out more about what your local government does everyday to make Vineyard great!

WASTEWATER SYSTEM FUNCTION

Out of sight, out of mind! Nothing could be more true about our sewer system, until it's not! The Public Works department is constantly working to make sure our sewer system is functioning properly, but your efforts as a homeowner play a crucial roll. Vineyard has 3 different sewer lift stations. Depending on location, the wastewater lines are designed to use gravity to flow into the lift stations. Once the sewage reaches the lift station, the sewage is pumped through a force main until it reaches a point where it can catch the gravity flow once again to eventually reach the treatment plant, Timpanogos Special Service District (TSSD). As a homeowner it is important to understand that while what you flush could potentially cause problems in the city's main line system, backups are most commonly caused by plugging up the lateral that serves your home and is ultimatly your responsibility. Remember, stick to the 3 P's!! Pee, Poop, and TP. Even "flushable" wipes are not meant for the sewer system. Flushing things like tissue or paper towels backs up the sewer system resulting in costly home plumbing problems and blockages.

COVID-19 RESOURCES

As the state works towards stabilization over the next few months, we ask our residents to follow the recommendations for staying healthy and safe. Continue to support our local businesses when possible and practice responsible social distancing to help protect yourself, family, and neighbors. Please find the ever-growing list of resources below.

BIKE MONTH

This year's activities may look a little different, but we hope you follow along as we celebrate Bike Month! Participate at least 5 times thoughout the month to win our Bike Month t-shirt! Pick up your Bike Month card at participating Vineyard Businesses or at the city office building. RSVP to the Facebook event for more details!

ACTIVITIES BY WEEK

May 1-2 | Bike Prep
May 3-9 | Bicycle Education Week
May 10-16 | Bike Safety
May 18-23 | Bike Scavenger Hunt
May 24-31 | Vineyard Trails

VINEYARD BIKE CLUB

Join our Vineyard club on the Strava app where we will post club events every week with different bike routes throughout the city!
www.strava.com/clubs/vineyardutah

BIKE TO BUSINESS

Spend $5, five times, at participating Vineyard Businesses during the month of May to be entered into the Bike Month raffle and get a Bike Month t-shirt!
PARTICIPATING BUSINESSES:
Vineyard Pediatric Dentistry, Dairy Queen, Chubbys, Coconut Cove, Oreilly Auto parts, Senske Lawn and Tree Care, The Puppy Store, Umami, Jive, Brookers Ice Cream.

BIKE MONTH SPONSORS

Flagship, Manly Bands, Orem Community Hospital, Utah Valley Pediatrics, Vineyard Pediatric Dentistry & Orthodontics

MAYrathon

We are excited to present our first MAYrathon!

Participants are to run/walk/bike/scooter 26.2 miles within 26.2 days of registering. You can complete the marathon distance in one day or you can spread the mileage out over the course of up to 26.2 days!

All registrants who complete this challenge will receive a race shirt and will be entered into a raffle for a new pair of running shoes from Runner's Corner and gift cards to various Vineyard City Businesses!

REGISTER HERE

WATERING GUIDE

Depending on your lawn, it may be time to get that irrigation system running! Follow these watering guides to save water and money on your utility bill! Make the appropriate adjustments now, and you'll thank us later!

- When turning the water on for your outside irrigation system, if the valve is outside or underground, make sure the valve is fully on.
- Water before 10 AM or after 6 PM to minimize evaporation.
- Let grass grow 3"-3$^{1/2}$" for healthier, deeper roots
- Use the Cycle Soak method
- Watch the weather. Don't water during rain storms. We will post regular updates on watering frequencies on our Facebook page, Vineyard City Government.
- Adjust the sprinkler heads to avoid watering sidewalks, driveways or the roads.
- Follow the Utah Division of Water Resources on Facebook for more watering guides

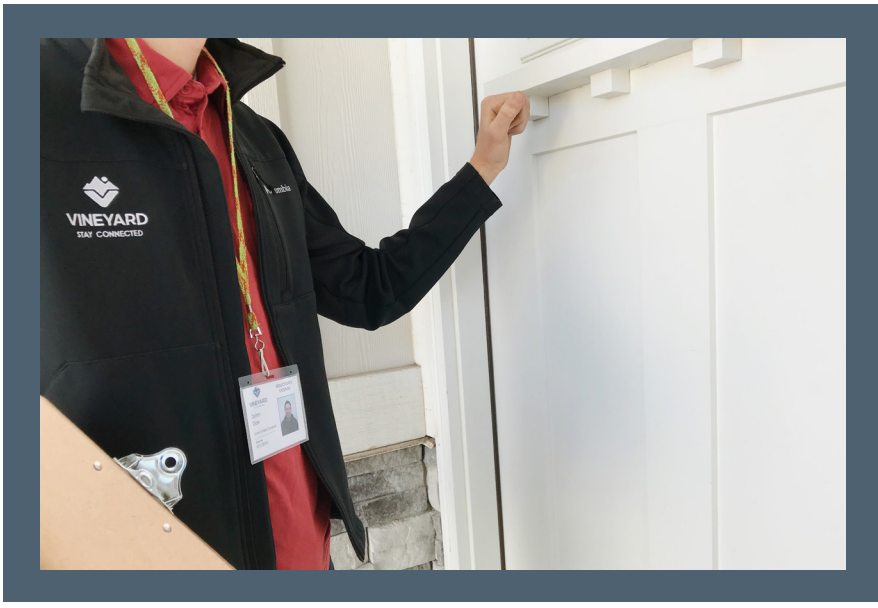

SOLICITOR LICENSE

In Vineyard, selling door-to-door requires a license. Licensed solicitors will have an ID badge issued by the city which must be worn prominently while soliciting. To report a violation, call Utah County Non-emergency Dispatch at 801-794-3970.

OUR HERITAGE

VINEYARD LAND AT A BARGAIN PRICE

A small piece of land suitable for building a home in Vineyard today can cost hundreds of thousands of dollars today, but the early settlers 150 years ago got it for much less. Because of an Homestead Act passed by Congress in 1862, settlers staked their claims on quarter sections of ground (160 acres) and paid the government $1.25 per acre.

SHERIFF'S DEPARTMENT

Keep yourself healthy and we'll keep you safe! We are still out patrolling and doing all that we can to keep you safe. Please do your part and help us by calling if you see or hear anything suspicious. Non-emergency dispatch: 801-794-3970

As the weather warms up and children are outside riding bikes and scooters, please drive slowly and talk to your children about watching out for cars. We recommend regular conversations about proper helmet wearing and bike safety.

You can also follow us on Facebook for additional updates about things going on around Vineyard.

GUIDELINES TO ENSURE CONSISTENT GARBAGE SERVICE

- All containers must be placed outside by 7 AM on scheduled the pickup day, regardless of when the truck typically arrives to your neighborhood. With a growing community, routes may change often.
- Containers must be placed 4 feet apart from other containers and 8 feet from parked cars, mailboxes, poles, fences, and trees for easy access.
- Please consider the weight of your can. Do not load dirt and rocks into your trash can as the trucks will not be able to empty it.
