VINEYARD CHILDREN'S LIBRARY

The Vineyard Children's Library reopened last month! We've added over 200 additional books to our collection, for kids and their caregivers.

Our hours are Tuesdays and Thursdays from 12-4. On Thursdays, kids can enjoy additional activities called Library Plus! These are activities for all ages, and you can just drop by for them!

7/7–Gardening Day. Plant some grass seed to take home and tour our community garden.

7/14–Music Day. Sing songs with our storytime leader and explore instruments.

7/21–Craft Day. Make a colorful pinwheel.

7/28–Science Day. Join educators from Thanksgiving Point to learn about dinosaurs.

Throughout the summer, join Miss Jessica for fun at Grove Park's North Pavilion.

On Tuesdays at 9:30 a.m. she leads us in Storytime, and Thursdays at 10:30 we learn songs and dance at Music and Movement. Both classes are about 20-30 minutes long and everyone is welcome.

When you sign up for your free Vineyard Children's Library Card, you have free access to Utah's digital library to check out e-books and audio books. You can access it through overdrive.com. To register, select 'register my library card' and then enter the barcode from your card. The pin is the last 4 digits of the same card number.

You can also return your books inside the City Offices during office hours if you need to return them when the library is closed.

Join us for Vineyard City's second annual summer movie series! We are singing our way through summer with musicals for everyone to enjoy! Bring a blanket and chairs and come enjoy an evening under the stars! Movies start at dusk around 9 P.M.

SPECIAL EVENT NOTICE

Vineyard City has issued a special event permit for a Fireworks show on Friday July 1st for Rex Real Estate.

FLIP YOUR STRIP

You do not need an encroachment permit to Flip your Strip! HB282 prevents HOA's from disallowing water-wise landscaping in lawn sections of 8 feet of width or less. Since residents have maintenance authority over those park strips, they do not need to submit an application through their HOA. They are encouraged to keep in line with landscaping materials recommended by HOAs but if their HOAs do not have water-wise recommendations, we recommend the resources at utahwatersavers.com.

HELP CONSERVE WATER, MAKE SURE TO TURN OFF YOUR SPRINKLERS WHEN IT RAINS!

CHECK YOUR WATER USAGE

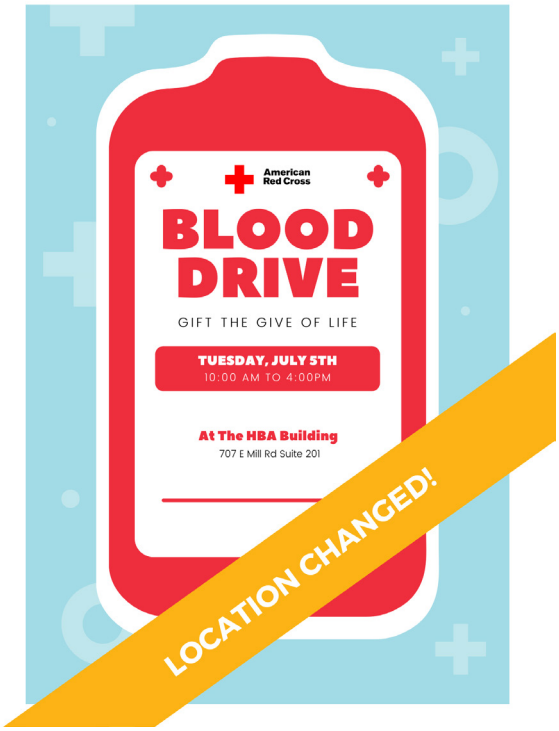

Vineyard has the potential of being impacted by major disasters such as earthquakes. In order to “Be Ready” take the time this month to identify and fix potential household hazards.

OUR HERITAGE

THAT'S HARDLY A ROAD AT ALL

Early settlers in Vineyard often commented on the primitive condition of "Vineyard Road," now Geneva Road. For many decades it was a two-wheel wagon trail with sagebrush on each side and between the wheel tracks. It wound around along a ridge of high ground before dropping off into swampland on the west. Even though it was dusty in the summer and muddy in the winter, and sometimes impassable when wet, it was a main artery of travel in the area.

DUMPING & STORMWATER SAFETY

Dumping is not allowed in wetlands and open space. We ask that residents do not leave dirt piles or grass clippings in the street as it causes a hazard for our stormwater. Grass clippings, landscaping project leftovers and other waste can be placed in receptacles or you can take them to North Pointe Solid Waste at 2000 W 200 S, Lindon, UT 84042.

THE VINEYARD VETERAN PAGE

Should any of our veterans have questions or they desire to become familiar with the benefits offered by the state of Utah, they can contact the Utah Department of Veterans and Military Affairs. The staff at UDVMA can also help you file VA claims and access benefits.

Among other interesting items listed on the site was information about the HB155 which expands the State Parks Honor Pass Program giving free access to state parks to all Veterans with any percentage of disability rating from the U.S. Department of Veterans Affairs. The change will take effect on July 1, 2022. Veterans need only to provide a current Summery of Benefits letter issued by the DVA in order to obtain the pass at Utah State Park Regional Offices and State Parks.

At the federal level Congress and the National Parks are expanding the Interagency Annual Military Pass to a Life Time Pass in 2022. This pass will give veterans free access to more than 2000 Federal Recreation Areas, National Parks, Wildlife Refuges and National Forests. You may obtain this pass with no fee at these two nearby locations, or online at store.usgs.gov.

Uinta-Wasatch-Cash National Forest Main Office in Provo

Timpanogos Cave National Monument in American Fork Canyon

The veteran will need to submit one of the following; a current copy of a DOD ID Card, a VA Health ID Card, a VA ID Card or a State issued Driver's License with a Veteran designation on it.

In each case these passes will allow the veteran and up to seven passengers in the same vehicle entry at no charge.

In summary, here are two benefits you can take advantage of this summer if you meet the simple requirements. Thank you for your service.
