ELECTION OFFICE

The City Recorder is the Election Officer for the municipality.

The election officer coordinates and conducts municipal elections for the city of Vineyard.

What is an election? The Encyclopedia Britannica defines an election as: the formal process of selecting a person for public office or of accepting or rejecting a political proposition by voting.

The election officer's duties are to:

· Administer all functions related to candidate filing. This year the filing period is August 8– 15.
· Administer all functions related to financial disclosure required by state code and/or city code.
· Publish Public Notices required by law. The city may work with the Utah County Elections Division to publish notices jointly with other jurisdictions.
· Accept responsibility to keep candidates and the public up to date on all legal requirements governing candidates and campaigns.
· Educate the public on the election process.
· Thoroughly examine and proofread all election programming. Approve content and formatting of ballots to be mailed to registered voters.
· Post on the City web site the official reported results of the election.
· Prepare and present the final election results for canvassing. "Canvass" in this context means that the mayor and city council, in an open and public meeting, carefully examine the election results and declare the winner(s).

Because Vineyard contracts with Utah County Elections Division, they are responsible for following election duties:

· Ballot design, printing, and mailing
· Process voted ballots
· Program and test voting equipment
· Poll worker recruitment, training, and compensation
· Tabulate and report election results on the Utah County Website
· Provisional ballot verification
· Conduct recounts (as needed)
· Provide final canvass report of official election results.

By voting, you have a say in what your elected officials are doing. Ballots will be mailed out starting October 17th, so make sure you are registered to vote in Vineyard by going to vote.utah.gov. The election ends at 8:00 PM on November 7.

TRANSPORTATION MASTER PLAN

Vineyard City has experienced significant growth in the last several years and is anticipating substantial growth for the foreseeable future. To address this growth, Vineyard City is currently developing a Transportation Master Plan (TMP) to plan the City's future transportation network, including roadway, transit, bicycle, and pedestrian facilities. The goal of this plan aligns with the City's goal, which is to STAY CONNECTED, connecting all of Vineyard's residents and workers to each other with all modes of transportation. The TMP is anticipated to be completed by the end of 2023.

We need your input as we develop this plan! Please respond to the questions below related to your previous experience using Vineyard's transportation system and what you hope to see improve in the City going forward.

Note: This TMP will incorporate the City's Active Transportation Plan, as well as the previous public comments made for that plan.

NEW LIBRARY WEBSITE

VIEW HERE

The Vineyard Children's Library opened in May of 2021 as a gathering place for the children and families of Vineyard. Originally housed in a building at Gammon Park, the Library moved to its current location at the Vineyard City Offices in October of 2022. With a collection of 5,000 books geared to children from ages 0-18, the library is a little jewel in our city. The library provides weekly story times and monthly activities for the children it serves.

If a holiday (only those shown above on the calendar) falls on a weekday, service will be delayed one day following the holiday. All containers **MUST** be placed outside on the curb by **7:00 am**. Containers should be placed in the street with the wheels against the curb or within **2 feet** of blacktop with the front of the container facing the street. Containers must be placed **4 feet** apart from other containers and **8 feet** from mailboxes, poles, fences, trees, or parked vehicles for easy access. Please **break-down** cardboard.
