| Tatyana Segalina

GOV 101

YOUR LOCAL GOVERNMENT INFORMATION STATION

Vineyard City has elected officials and staff who work hard each day to assure that the City is running and developing smoothly and that your needs as a resident are being met. However, local government can sometimes be a bit of a mystery to those who aren't involved in it daily. So we've created GOV 101 to demystify it a bit. Every month, you can come here to find out more about what your local government does everyday to make Vineyard great!

ADMINISTRATION DEPARTMENT

Vineyard City's Administration Department consists of 4 employees (City Manager, Treasurer, and 2 Administrative Assistants). They are charged with overall administration of the city, answering residents' questions, human resources, special events, and social media management. They also handle all the finances for the City, and the City's Redevelopment Agency, including the annual budget, accounts receivable and payable, treasury management, and water and sewer utility billing. Look out for more information about specific tasks and processes the Administration Department uses as GOV 101 expands.

Some common questions you might have that would be answered by the administration department are:

- Can you help me better understand my monthly utility bill?
- Can I get reimbursed for a pass to a library or fitness center in a neighboring community?
- What can I do about an issue I have with my garbage can and/or service?

You can call the Administration Department with any question you have and they will do their best to answer your question or direct you to someone who can.

We have no shortage of information on how your local government works that we want to share with you, but if there is something specific you'd like to learn more about, please reach out to us by phone at (801) 226-1929 or by email at info@vineyardutah.org.

| Josh DeGering

2018 OFFICIAL MEETING SCHEDULE

Planning Commission meetings will be held the 1st and 3rd Wednesday of each month beginning at 6:00 PM, unless otherwise noted.

City Council meetings will be held the 2nd and 4th Wednesday of each month beginning at 6:00 PM, unless otherwise noted.

These schedules are posted on our website, at City Hall, and our City Offices.

SNOW REMOVAL

In order to accommodate snow removal, please do not park on the streets from November 1st - March 31st. We need to allow enough room for the plows to get through and clear the roads.

VINEYARD HERITAGE COMMISSION CORNER

Geneva Steel:
Geneva Steel in Vineyard was founded during World War II to enhance national steel output. It operated from December 1944 to November 2001. Its unique name came from a resort that once operated nearby on the shore of Utah Lake. At its peak of operations, Geneva Steel produced 60 percent of the steel used in the Western United States.

SHERIFF'S DEPARTMENT

With winter weather in full force, the Sheriff's Department would like to stress safe driving. Slow down and stay aware of your surroundings. Please avoid distracted driving.

As always, immediately report any suspicious activity to the Utah County Sheriff's Office at 801-794-3970.

SWEARING IN CEREMONY

The Swearing in Ceremony took place on January 2nd at noon in the City Hall building at 240 E Gammon Road. Jullie Fullmer was sworn in as Mayor and John Earnest and Chris Judd were sworn in as Councilmembers.

From left to right: Councilman John Earnest, Mayor Julie Fullmer, Councilman Chris Judd

INCOMING ELECTED OFFICIALS

MAYOR JULIE FULLMER

What is your favorite movie?
I don't know if I have a favorite, but Back to the Future, The Man Who Knew Too Little, Bourne Identity, You've Got Mail...all classics.

What is your biggest fear?
Not enough time to do all the cool things there are to do.

What are your hobbies?
Dancing, Traveling & Sculpting- I like ultimate frisbee too.

If you didn't have to sleep, what would you do with the extra time?
Having a baby make it so you don't sleep much, at least in the beginning. I answer emails, read books, and plan our adventures. If I never got tired though and my brain never slowed down... what wouldn't I do!?

What is something you'd like to master?
The worm and Russian

What has been your greatest adventure?
I backpacked for 7 months in China and South East Asia which was pretty incredible, but having two little boys has outweighed anything I've done so far.

What is your favorite part of Vineyard?
I love the people, the views, our heritage and how we are growing and planning so uniquely for our city and lakeside.

COUNCILMAN JOHN EARNEST

What is your favorite movie?
My boys and I love all the Marvel and Star Wars movies that have come out! We Love going to the Movies! Julie, my wife, comes along because she is amazing but movies are not her favorite.

What is your biggest fear?
I think failing as a husband and a father would have to be my greatest fear.

What are your hobbies?
My absolute number one hobby is doing everything I can with my wife and boys. Whether that's here at home enjoying our town, golfing, the lake, and the mountains or when we go to Disneyland or the beach.

If you didn't have to sleep, what would you do with the extra time?
I would read a lot more. I love reading and learning and I do my fair share but I would definitely spend more time reading.

What is something you'd like to master?
At the moment I want to learn to be a good member of the Vineyard City Council. There is much to master in my current challenge that face me.

What has been your greatest adventure?
Well that's easy as I just experienced heart failure from what is a relatively unknown source. The end of October and much of November was spent in ICU's very close to passing on so I think that will qualify as quite an adventure. I am still recovering, processing, and learning from that

experience so I guess I'm still living that adventure. As to my overall adventure it is the one I'm on in this life with my wife and sons that I treasure most

What is your favorite part about Vineyard?
It is Home.

COUNCILMAN CHRIS JUDD

What is your favorite movie?
Young Frankenstein

What is your biggest fear?
Crocodiles and Sharks

What are your hobbies?
Fly fishing, hunting, and camping

If you didn't have to sleep, what would you do with the extra time?
Fly fish around the world.

What is something you'd like to master?
Golf

What has been your greatest adventure?
New Zealand for 17 Days

What is your favorite part about Vineyard?
The tight knit community with caring residents.

FYI

BROUGHT TO YOU BY THE COMMUNITY DEVELOPMENT DEPARTMENT

Accessory Buildings

What is an Accessory Building?

An accessory building is a building customarily incidental and clearly subordinate to the primary building and located on the same lot as the primary building.

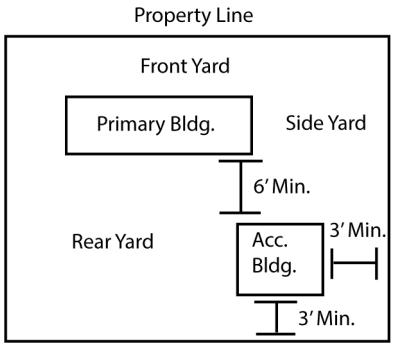

- Accessory building and accessory uses can only be authorized concurrently with, or following, the establishment of the primary building or primary use (Section 1703).

Where can I build an Accessory Building?

Accessory buildings are only permitted within the rear yard of an established lot (Section 1703).

- The required setbacks for accessory buildings are three (3) feet from the sides and rear of the property line, and six (6) feet minimum distance from the principal building. Accessory buildings can only be a maximum of twenty-five (25) feet in height, but the side setback must increase one (1) foot for every foot higher than fifteen (15) feet (Section 606).

For additional information about Accessory Buildings, please view the FYI in its entirety on our website.
