PUBLIC COMMENT OPPORTUNITIES ON VINEYARD'S CENTRAL CORRIDOR MASTER PLAN

Vineyard City will be hosting several public engagement events to receive feedback on the Central Corridor Master Plan. At each of the events, members of Vineyard City Council and City Staff will be available to answer questions about the plan that adds amenities to Vineyard Grove Park, Gammon Park and other open spaces through the central corridor of the City. Feedback from residents will be collected through a survey that will be open from Oct. 3 through Oct. 21. You can find the renderings and the survey at this link.

Events are scheduled (weather permitting) on Saturday, October 8 from 10 a.m.-12 p.m. at Vineyard Grove Park, Tuesday, Oct. 11 from 5 to 7 p.m. at Gammon Park and Thursday, Oct. 20 from 5-8 p.m. in the Vineyard City Council Chambers. We encourage every resident to review the plans and then fill out our Central Corridor Master Plan survey.

For an introduction and detailed overview of the Corridor plans, please tune into Vineyard City Government's Facebook page on Oct. 4 at 11 a.m. for a Facebook Live with Vineyard's elected officials, City Staff, and the plan's consultants from PEC.

The plan is divided into four sections, starting with Vineyard Grove Park. Site highlights at Grove Park include an art walk, pickleball courts, a dog park, walking loops, a slide park, a community garden, multi-purpose fields, food truck parking area and shade pavilions.

The next section is south of Grove, also referred to as the wetlands. Highlights include a walking loop, and adding covered pavilions and a pump track/bike park at the very southern end of this area.

Gammon Park has two designs for residents to consider. The first design includes artificial turf fields and multipurpose fields, with additional amenities including batting cages, tennis court, a community center, sensory garden, all abilities park, playgrounds, a parkour playground, spray park, bouldering space and a spot for yard games. The second option at Gammon is designed with a large open field while adding additional parking.

The final area, south of Gammon, (aka the "Fishhook") has two renderings as well. The first concept includes a pond, additional pickleball courts, a slackline space, a pump track and skate park and a playground. The second option replaces the pond with a disc golf area.

We look forward to your participation in the public input process, and offering our residents exciting and upgraded amenities while enhancing beautiful open spaces throughout the City. We are excited for the whole city to be involved in the planning process of the Central Corridor Master Plan. Your valuable input will help shape the future of these areas.

Join us as we officially open our new location of the Vineyard Children's Library! The library will open in the City Offices on Monday, October 3rd. Hours will be from 8 a.m. to 5 p.m. Monday through Thursday and 8 a.m. to 12 p.m. on Friday. Our opening ceremony will be on October 3 at 3:30 p.m. Come by then to see our new space. Meet a Gila Monster from the Hutchins Museum, participate in our Halloween coloring contest, sign up for a library card and check out a book. We will kick off a food drive to benefit Tabitha's Way and celebrate National Butterfly Day with a butterfly release!

Hey Vineyard Youth! Come join us for Vineyard Youth Council Meeting to plan this school year's events Saturday, October 8 from 10:30-11:30 in the City Council Room at 125 S. Main Street. (Executive Vineyard Youth Council will meet at 9:30 a.m.)

(dates of 2019 or newer, no open packages) Thank you for supporting the food drive!

DO A GOOD TURN DAILY

Beginning in 1910, Boy Scouts became a popular activity for boys in Vineyard. The first troop was organized in December 1910. It had no troop number, but the Scouts called themselves the "Tintic Titans." A popular activity for the Scouts was climbing Mount Timpanogos. In June 1921, fifteen boys and two adult leaders climbed up the west side of the mountain. Ten of the boys made it to the top, the first time any boy scouts had successfully made the climb.

COMMUNITY GARDEN

As our garden season comes to a close we, as a committee, are thankful for our gardeners, sponsors, and the community for your help this year. This season we saw the expansion of 11 new boxes while also receiving a grant from Get Healthy Utah to expand at a second location next spring. The vegetable stand was a wonderful way to give extra produce to others.

Some of our gardeners this year were new to gardening and it was fun to see them learn. One of our gardeners, the Kungs, had this to say about their season: "We've learned so much about gardening! I learned that I only need to plant one (or two) cucumbers next year, but I can never have enough sugar snap peas, carrots, and peppers. I've learned a lot about pruning, pollinating flowers, and different diseases and pests."
