IT'S ELECTION YEAR!

Vineyard City will be electing two councilmembers this November. If you have ever thought about running for a council seat, please visit the City Recorder's office during the candidate declaration filing period.

This year, due to a special election being held in Utah's Second Congressional District, Governor Cox issued a proclamation, ratified by the state legislature, moving the General Election Day to Tuesday November 21, 2023, state-wide.

Here are the key election timelines:

The candidate declaration filing period will run August 8 through August 15, 2023, from 8:00 AM to 5:00 PM, excluding Saturday and Sunday. Our offices close at noon on Fridays. Please contact the City Recorder's office to set up an appointment if you wish to file on Friday August 11. We can be reached at 385.338.5183 or 385.338.5188.

The write-in candidate declaration filing period will run from August 16 - September 18, 2023, at 5:00 PM. Campaigns for write-in candidates are more successful with state and local elections than national ones; however, only about 1% of write-in candidates win their elections.

Vineyard is running its election by ranked choice voting and therefore will not be holding a primary election.

Ballots will be mailed out starting October 31, 2023, so make sure you are registered to vote in Vineyard by going to vote.utah.gov. By voting, you have a say in what your elected officials are doing.

The Municipal General Election will be held on November 21, 2023. You may drop your voted ballot off in any ballot drop box in the county, one of which is located in the Vineyard City office parking lot. All ballots must be submitted by 8:00 PM on November 21st.

The canvass of the final election results will take place on December 6, 2023.

Please check our website for additional information by clicking on the link below or scanning the QR Code: 2023 Vineyard Municipal Election Webpage.

HUNTSMAN CANCER INSTITUITE TO COME TO VINEYARD

Vineyard is thrilled to welcome Huntsman Cancer Institute! HCI announced the construction of a second campus in Vineyard giving access to innovative cancer treatment and research much closer to home for thousands of Utah County residents.

For details about plans and the impact of this announcement, please visit this link.

RSVP HERE

COMMUNITY GARDEN CLASS

Come and learn about the bugs in your garden! Held in the large pavilion at Gammon Park. As a precaution, you may want to wear bug spray, given all the mosquitoes this year. Nick Volesky works for USU Extension's Integrated Pest Management Program. He scout various vegetable production farms and sites for any signs of disease or insect pests. He designs and maintains IPM trial sites throughout Utah and relays the data to the public. He is also behind the seasonal vegetable pest advisories. Nick's goal is to better help Utah farmers and home owners with integrated pest management strategies. He earned his Applied Science and Horticulture bachelor degrees from the University of Nebraska in 2018.

JULY COMMUNITY WORKS SURVEY

For the City's new Community Works plan, we are looking for your feedback every month on what is working and what isn't. In July, as you travel and recreate through the City, what things are you noticing that could be improved? Take the survey here.

Please use this survey to share your concerns with our team by providing us with information about what you see we need to address in our parks, trails and park strips. If you would like a response on the progress of your concern, make sure you leave your phone number or email.

BYU COSMO IN THE PARK

Hang out with Cosmo in the Park on Wednesday July 12 at 10-11:30 a.m. at

Vineyard Grove Park

Drop by between July 12 and 21 to see our exhibit!

Pick up Summer Reading Prize #2 starting on July 17 from 8:00 a.m. to 5:00 p.m.

WINDOW SAFETY

We want Vineyard kids to be as safe as possible. You can help protect children from accidental window falls by following these recommendations from the National Safety Council:

· When young children are around, keep windows closed and locked.

· When opening a window for ventilation, use those located out of a child's reach.

· Supervise children to keep child's play away from windows, balconies, or patio doors.

· Avoid placing furniture near windows to prevent young children from climbing and gaining access to an open window.

· Don't allow children to jump on beds or other furniture to help reduce potential falls.

· Don't rely on insect screens to prevent a window fall. Insect screens are designed to keep bugs out, not to keep children in the home.

· Install ASTM F2090 compliant devices designed to limit how far a window will open or window guards (with quick-release mechanisms in case of fire or another emergency) to help prevent a fall.

· Teach your child how to safely use a window to escape during an emergency, such as a fire.

As always, Please report any suspicious activity by calling Central Dispatch 801-798-5600. If it's an emergency call 911. You can also follow us on Facebook and Instagram for additional updates about things going on around Vineyard. Be safe and have a great July!

Get ready for the ultimate summer movie experience! Join us for our Summer Movie Series, featuring the latest blockbusters and timeless classics. Gather your friends and family and enjoy a night under the stars with great entertainment.

FIREWORK RESTRICTIONS

Fireworks will be permitted in public spaces as indicated in the accompanying map on the following dates: July 4 and July 24 from 8 p.m. to 11:59 p.m., if wind speed is 15 miles per hour or below. Please be respectful of other people's private property and stay safe
