MESSAGE FROM THE MAYOR

A Message from Mayor Julie Fullmer

In the wake of the tragic shooting at Utah Valley University, our county has been reminded of both the fragility of life and the strength that comes when we stand together. In response, mayors from across Utah County joined together to release a unified statement.
In it, we affirmed our commitment to accountability, compassion, caring for one another, and to the shared belief that we are stronger together and that healing comes when we support one another as neighbors.

These kinds of moments test us. They bring to the surface the reality that we live in a world that often feels divided, whether by politics, opinion, or circumstance. But tragedy also reveals something else: that beneath our differences lies a deep, human need to belong and to feel connected. We must disagree. These shared perspectives are what has built our community and keeps us thriving. Unity does not erase our individuality, but it does bind us together in our shared humanity, a reminder as to the purpose and reason for our civil discourse. When we choose to stand shoulder to shoulder, we send a powerful message, that darkness will not define us and that, together, we can create light.

Here in Vineyard, we have an opportunity to reflect that light in meaningful ways. In the days following the hurt our community faced, we came together in reflection, we came together in gratitude for the kindness of those who give their lives for us, and 400+ of us came together to serve the community, showing up for Vineyard. We can continue to show up.

MESSAGE FROM THE MAYOR

A Message from Mayor Julie Fullmer

On Oct 2nd at 7pm, we will gather together again in the Walk for Hope at Grove Park in partnership with The Refuge Utah. This candlelight walk is more than an event. It is a moment for our community to come together in solidarity, to support and honor victims and survivors of domestic violence, and to remind one another that no one should ever feel alone in their struggles.

Alongside the walk, we will host a service project, resource booths, and an evening of music and reflection, with Alex Boyé lending his incredible voice and his own journey to inspire hope.

The Walk for Hope is not just about raising awareness; it is about building connections. It is about offering love, support, and encouragement to those who need it most. And it is about reaffirming our identity as a community that chooses brave spaces, unity in the face of challenges, civility in the place of vitriol, and a deep belief we are neighbors first who build and bring light that will shape today and generations to come.

I invite you and your families to join us. Bring your candles, bring your hearts, and bring your willingness to stand together. Because together, we are stronger. Together, we can create healing. And together, we can keep moving forward with compassion and hope.
—Mayor Julie Fullmer

RENTAL PROPERTY POLICY UPDATE

Vineyard City no longer tracks renters at rental properties. This decision reflects the City's ongoing efforts to streamline processes and provide the best service to residents.

Renters will no longer receive the billing statements.

If tenants are responsible for paying the Vineyard City utility bill, please provide them with billing statements and payment instructions. All renter payments must be processed through Xpress Bill Pay (www.xpressbillpay.com).

Any questions regarding this update can be directed to the Vineyard Utility Billing Office at 801-226-1929 or visit www.vineyardutah.gov.

It's an ELECTION YEAR!

Voter turnout for the 2025 Municipal Primary Election was at an all-time low for Vineyard at 25.5%. We went from 40% in 2015 to only 25.5% in 2025.

For the General Election, we went from 53% in 2013 General Election to a 28.5% in the 2023 General Election.

Election Results by percentage

Year	Primary Election	General Election
2013	No primary held	53%
2015	40%	61%
2017	31.4%	31%
2019	No primary held	31.03%
2021	No primary held	25.48%
2023	No primary held	28.5%
2025	25.5%	???

This November 4th, let's reverse the trend. Make your vote count by voting in the 2025 Municipal General Election.

HALLOWEEN SAFETY

With Halloween coming up, kids will be out and about. Be mindful of persons or vehicles that are suspicious or do not belong in the neighborhood. Please report any suspicious activity to the Utah County Sheriff's Office at 801-798-5600. If it's an emergency, call 911.

Safe Costumes

· Decorate costumes and bags with reflective tape or stickers and, if possible, choose light colored clothing.
· Masks can obstruct a child's vision, so choose non-toxic face paint and make-up whenever possible.
· Have children carry glow sticks or flashlights so they can see better, as well as be seen by drivers.

Safe Driving

· Stay alert - Watch out for cars that are turning or backing up and don't dart out into the street or cross in between parked cars.
· Walk on sidewalks or paths. If there are no sidewalks, walk facing traffic as far to the left as possible.
· Put electronic devices down and keep heads up and walk, don't run, across the street.
· It's best to cross the street safely at corners. And always look left, right and left again when crossing and keep looking as you cross.

Safe Walking

· Slowdown in residential neighborhoods. Remember that popular trick-or-treating hours are 5:30 to 9:30 pm.
· Be especially alert and take extra time to look for kids at intersections, on medians and on curbs. Children are excited on Halloween and may move in unpredictable ways.
· Reduce any distractions inside your car, such as talking on the phone or eating, so you can concentrate on the road and your surroundings.

The list of safety suggestions is from www.safekids.org

FALL/WINTER LEAF TIPS: SIMPLE ACTIONS THAT REDUCE NUTRIENTS IN STORMWATER RUNOFF

Why it matters

- Leaves in gutters form “leaf dams” that block grates, back up meltwater, and cause street flooding and icy patches when temperatures drop.
- Decomposing leaves release nutrients that wash into storm drains and ultimately to Utah Lake, fueling algae growth.

What to do

- Bag or green-bin your leaves. Keep piles on your property, not in the street.
- Keep a 10–15 foot stretch of curb in front of your home clear of leaves and debris.
- Before a storm or deep freeze, sweep leaves off grates and gutters and place them in your bin or bags.
- Use a mulching mower to chop and leave thin layers on your lawn as fertilizer.
- If you hire yard service, ask them to collect and bin leaves rather than blowing them into the roadway.

What not to do

- Do not rake or blow leaves into the street or storm drain inlets.
- Do not cover storm drain grates with leaf bags or snow piles.
- Do not wash leaf piles down the gutter with a hose.

Did You Know?

- Storm drains carry rain and snowmelt directly to Utah Lake—untreated. Anything in the gutter (leaves, fertilizers, pet waste, soaps, oil, litter) flows there too.
- Sanitary sewers are different: wastewater from sinks, showers, and toilets goes to a treatment plant before discharge.

Thank you for helping keep Vineyard City’s storm drains clear and reducing excess nutrient pollution to Utah Lake. Your small actions protect our community and our waters.

Questions or need assistance near a problem drain? Contact Vineyard City’s Stormwater Program at engineering@vineyardutah.gov.
